The best-selling Honda ever, the long-running Honda Mini Trail, was available in a huge range of models, even within each model year. The Honda Mini Trail Enthusiast's Guide covers all Honda Mini Trails and Z50 bikes produced between 1968 and 1999. Author Jeremy Polson begins with a brief introduction of the models that led up to the Mini Trail, and then jumps into a thorough analysis of the many models and iterations that Honda has offered through the years. Despite the worldwide popularity of Honda's best-selling model, no other Mini Trail book had been published, and the accuracy of information found on the Internet is suspect at best. For Z50 collectors and enthusiasts, this book presents facts and figures found nowhere else. In addition to the hard facts regarding each model of each year, this book is filled with many rare photos that track the evolution of the Mini Trail, and unravel its mystery.

Prior to the development of a simple test called the Apgar score, many newborn babies missed receiving the urgent care they needed at birth. Dr. Virginia Apgar came up with the Apgar score to help these newborns by rating them in a number of different health areas. The savior of countless young lives, Virginia Apgar is hailed as a legend, a trailblazer, and an inventor. Readers delve into the riveting story of a medical legend who inspired women doctors to succeed at a time when society did not value the contributions of women in the work force.

A mystery “ written with an incredible Southern twist . . . Page turning, fun, and filled with suspense—and very unique characters ” (Heather Graham, New York Times—bestselling author). As the owner of a charming Louisiana bed and breakfast, Holly Davis believes in Southern hospitality—but she draws the line at welcoming the ghost of her cheating husband . . . Burl Davis checked out of this life a little earlier than expected—before Holly could serve him with divorce papers over his extramarital flings. Unfortunately, it was not before he nearly bankrupted her beloved B&B, Holly Grove, a converted plantation that has been in her family for generations. Holly would never wish anyone dead, but three months later she ’ s feeling a lot more relief than grief. Until Burl ’ s ghost appears as an unwelcome guest. Before his spirit can move on, her not-so-dearly departed needs Holly ’ s human help to bust up the drug smuggling ring he was involved with. She has reservations, to say the least, but agrees to assist him if he ’ ll make a show of haunting the B&B to draw in visitors. But when Holly ’ s former love, Jack McCann, mysteriously resurfaces in town and checks in, she has to wonder if her B&B is big enough for the ghost of her husband and the very real physical presence of her old flame . . . “ A romp of a ride . . . Delta Ridge more than delivers its share of eccentric characters, venal criminals, and laugh-out-loud moments. ” —Kings River Life Magazine “ Impossible to put down—a sassy Southern romp of a read. ” —Susan M. Boyer, USA Today—bestselling author

After her nightmarish recovery from a serious car accident, Faye gets horrible news from her doctor, and it hits her hard like a rock: she can ’ t bear children.
