decided to put this concept to the test-- and walked away with life-changing information. He reveals a simple plan that will allow you to master your life, starting right now.

The day for change is today and it's more simple than you realize. Most people sleepwalk through day-to-day life, passively letting time slip away. Unfortunately, the only thing that can usually wake people up to the intensity of life is impending death. But what if it didn't have to be that way? 20,000 Days presents breathtakingly simple strategies and concepts that, once applied, will enable readers to be 100% present and intentional with every passing minute of every day, for the rest of their lives. The book is designed to be read in under an hour and the effect

is immediate. Within each segment are tactics for mastering control for your life; principles such as: Motivation is a myth You only have two choices, yes and no How to conquer rejection forever How BECOMING the problem will SOLVE all your problems Three sentences that will change your life immediately These timeless principles apply to everyone from the pending graduate to the seasoned business professional; from the time-starved parent to the weary pastor to the restless entrepreneur. On the 20,000th day of his life, the author sent an email that inspired and reminded a group of people of all ages to live in the moment. This group now includes you.

unusual sea vehicle of his own design to take them to an underwater cave, where a cache of old loot gathered by the mermaids turns out to contain a lot of very valuable old baseball cards.

From the best-selling author of *A Vast Conspiracy* and *The Run of His Life* comes *Too Close to Call*--the definitive story of the Bush-Gore presidential recount. A political and legal analyst of unparalleled journalistic skill, Jeffrey Toobin is the ideal writer to distill the events of the thirty-six anxiety-filled days that culminated in one of the most stunning Supreme Court decisions in history. Packed with news-making disclosures and written with the drive of a legal thriller, *Too Close to Call* takes us inside James Baker's private jet, through the locked gates to Al

Gore's mansion, behind the covered-up windows of Katherine Harris's office, and even into the secret conference room of the United States Supreme Court. As the scene shifts from Washington to Austin and into the remote corners of the enduringly strange Sunshine State, Toobin's book will transform what you thought you knew about the most extraordinary political drama in American history. The Florida recount unfolded in a kaleidoscopic maze of bizarre concepts (chads, pregnant and otherwise), unfamiliar people in critically important positions (the Florida Supreme Court), and familiar people in surprising new places (the Miami relatives of Elián González, in a previously undisclosed role in this melodrama). With the rich characterization that is his trademark,

# Read Book 20000 Days And Counting The Crash Course

Toobin portrays the prominent strategists who masterminded the campaigns--the Daleys and the Roves--and also the lesser-known but influential players who pulled the strings, as well as the judges and justices whose decisions determined the final outcome. Toobin gives both camps a treatment they have not yet received--remarkably evenhanded, nonpartisan, and entirely new. The post-election period posed a challenge to even the most zealous news junkie: how to keep up with what was happening and sort out the important from the trivial. Jeffrey Toobin has now done this--and then some. With clarity, insight, humor, and a deep understanding of the law, he deconstructs the events, the players, and the often Byzantine intricacies of our judicial system. A

demonstrate God's glorious creation, to turning up the music and having a dance party in your kitchen.

"Like A Wrinkle in Time (Miranda's favorite book), When You Reach Me far surpasses the usual whodunit or sci-fi adventure to become an incandescent exploration of 'life, death, and the beauty of it all.'" —The Washington Post This Newbery Medal winner that has been called "smart and mesmerizing," (The New York Times) and "superb" (The Wall Street Journal) will appeal to readers of all types, especially those who are looking for a thought-provoking mystery with a mind-blowing twist. Shortly after a fall-out with her best friend, sixth grader Miranda starts receiving mysterious notes, and she doesn't know what to do. The notes

## Read Book 20000 Days And Counting The Crash Course

tell her that she must write a letter—a true story, and that she can 't share her mission with anyone. It would be easy to ignore the strange messages, except that whoever is leaving them has an uncanny ability to predict the future. If that is the case, then Miranda has a big problem—because the notes tell her that someone is going to die, and she might be too late to stop it. Winner of the Boston Globe–Horn Book Award for Fiction A New York Times Bestseller and Notable Book Five Starred Reviews A Junior Library Guild Selection "Absorbing." —People "Readers ... are likely to find themselves chewing over the details of this superb and intricate tale long afterward." —The Wall Street Journal "Lovely and almost impossibly clever." —The Philadelphia Inquirer "It's easy to
