Presenting comparative business statistics in a clear, straightforward manner, this resource provides an overview of U.S. companies, products and services. A convenient arrangement by four-digit SIC code helps business decisionmakers and researchers easily access needed data for more than 2,000 entries. Each entry features a descriptive title; data and market description; a list of producers/products along with their market share; and more. The new 2005 edition combines "Market Share Reporter with "World Market Share Reporter (see p. 163), providing global coverage in a new, two-volume format.

Funny Lined Journal Notebook For Peoples Who Loves Caspian Seal

Provides current and comprehensive information on more than 24,000 of Europe's largest companies, including the names of 194,000 senior executives. Entries typically include company name; address; telephone and fax numbers; e-mail and Web addresses; names of senior management and board members; description of business activities; brand names and trademarks; subsidiaries and affiliates; number of employees; financial information for the last two years; principal shareholders; and private/public status.

Advertising expenditure data across multiple forms of media, including: consumer magazines, Sunday magazines, newspapers, outdoor, network television, spot television, syndicated television, cable television, network radio, and national spot radio. Lists brands alphabetically and shows total expenditures, media used, parent company and PIB classification for each brand. Also included in this report are industry class totals and rankings of the top 100 companies in each of the media.
