Dragons terrorize a Virginia town, and one young man finds friendship--and love--in unlikely places in this near-future post-apocalyptic romance from Lambda award finalist R.W. Day. 'A Strong and Sudden Thaw' is a current finalist for the Lambda Literary Awards.

The world after the Ice remains a dangerous place. Callan and David have survived the dragons but rebuilding their lives is no easy task. When the army comes to their town to enforce an evacuation, Callan is suspicious about their claims of tainted groundwater and radiation. David feels he must join his family in defending the town, even if rebellion means deadly force is needed. Tragedy strikes when the Brethren, a crazed religious order, seeks to control the new world, not only preaching homophobia and intolerance but also forcing conversion and torturing resisters. Can the love between these young men withstand not only distance but betrayal?

In Queer Magic, Ginn Hale, Mallory Path, Kris Ashley, and many others combine folklore, mythology, and original fantasy with a healthy dose of gay romance to create ten delightful tales. From enchanted princes to gritty urban fantasy, these authors add a new twist to favorite fairy tale tropes.

A Sidhe warrior in exile. A young man with powers he's only beginning to understand. In their hands, the fate of two worlds. A childhood encounter with one of the Sidhe sets Joseph Vines' life on a fateful course. Unable to forget the beautiful creature who promised to one day return for him, Joey spends the next twenty years learning, dreaming and waiting. Braeden Shay, a warrior of the Sidhe, has spent those same twenty years watching Joey from a distance, waiting for Joey's heritage to make itself known. When the time is ripe, Braeden steps in to protect Joey from those trying to kill him, and to help him deal with the changes turning his life inside out. During the days that follow, as Braeden teaches Joey to harness and control his newfound power over the natural world, Joey finds himself falling for the gentle, patient Braeden. Braeden, who has watched over Joey for most of his life, is already deeply in love with him. When the forces targeting Joey for death catch up with them, it will take all their magic-and the power of their love for each other-to survive, and to save both their worlds.
