& Business Reports provides a structured framework under which business students, business professionals, entrepreneurs and other professionals can significantly improve their writing skills. You will be taken through the main vocabulary and grammar structures in business writing, and you'll be allowed to practise them through highly targeted activities, which aim to develop, not only your Business English skills, but also your confidence and overall competence within business settings. The last section of this book, contains an amazing selection of business email and letter templates to guide you through writing letters, reports and many other documents. It will be an invaluable resource for your studies and career in business.

Focused especially to fit the needs of ESL students, this handbook for communicating in business situations describes a wide variety of business writings, and recommends appropriate styles and formats for each. Samples and instruction cover sales and public relations letters, reports and proposals, resumes, job applications, and much more. A section on usage reviews basics of English grammar, emphasizing sentence construction and verb forms. Students of English as a second language who plan to do business in North America can become confused by jargon and formalisms that sometimes invade business correspondence. Author Andrea Geffner's advice to them is to relax and stop worrying about sounding "business-like" or "official." Correct but relaxed English is always preferable. This book will meet the needs of all ESL students--especially
