This book is more a
vehicle of love for
the artist's
community than
anything. It is a
marriage between
the world of art
appreciation and

the world of one artist, with the result being a keepsake of the artist's works of art combined with a personal glimpse into their world.

Artist Barbara Kobylnska has a fine art education from the most prestigious art school in Poland.

Lithium, comes
from the Greek

word lithos,

meaning stone.

When alloyed with other elements, such as aluminum or other metals, lithium makes alloys strong and light for use in airplanes and spacecraft. The red sparks seen in fireworks are created by adding
