25 reproducible tests covering: science concepts & processes; life science; human body & health; physical science; earth space & science; keeping track of skills. Includes answer keys.

This set of standards-based reproducible activity pages is basic, not boring. In this book, students tour the American government and economy with a sassy American eagle named Egbert. They'll review important facts about the structure of the government, the workings of the economy, and the rights and responsibility of citizens. An assessment, glossary, and helpful lists are included.

Exercises allow students to study the past of the global community and sharpen numerous skills.
