The "Betrayal" structure strips away all artifice. It shows, heartlessly, that the very capacity for love itself is sometimes based on betraying not only other loved ones, but even ourselves. Betrayal - Review | The Harold Pinter Theatre | Stage Review

Martin Esslin, in The Peopled Wound: The Work of Harold Pinter (1970), sees the play as an Oedipal confrontation: The father lords it over the sons while he has the power, but when he gets too old to defend himself, their covert antagonism against him comes to the surface, and they destroy him, throwing out the old generation so that the new generation has room in which to live. An even older archetype, however, might fit the play more closely.

Pinter's moving masterpiece Betrayal is a showcase of the late great playwright at his best, and this news comes exactly 40 years after its premiere at London's National Theatre. The compelling story of a seven-year affair involving close friends, Betrayal looks at human complexity and love with shrewdness and humour. The piece is notable for using reverse chronology; the plot takes us from 1977 and rewinds all the way to the story's start in 1968.

"One of the most essential artists produced by the twentieth century. Pinter's work gets under our skin more than that of any living playwright." –New York Times Upon its premiere at the National Theatre, *Betrayal* was immediately recognized as a masterpiece. It won the Olivier Award for best new play, and has since been performed all around the world and made into an Academy Award-nominated film starring Jeremy Irons, Ben Kingsley, and Patricia Hodge. *Betrayal* begins with a meeting between adulterous lovers, Emma and Jerry, two years after their affair has ended. During the nine scenes of the play, we move back in time through the stages of their affair, ending in the house of Emma and her husband Robert, Jerry's best friend. "[*Betrayal*] deals with the shifting balance of power in triangular relationships, and with the pain of loss. . . . Pinter probes the corrosive nature of betrayal . . . a world where pain and loss are explored with poetic precision." –Guardian "*Betrayal* is an exquisite play, brilliantly simple in form and courageous in its search for a poetry that turns banality into a melancholy beauty." –Newsweek "There is hardly a line into which desire, pain, alarm, sorrow, rage or some kind of blend of feelings has not been compressed, like volatile gas in a cylinder less stable than it looks . . . The play's subject is not sex, not even adultery, but the politics of betrayal and the damage it inflicts on all involved." –Times (UK)

"A fascinating work . . . possessing extraordinary power. Masterful." –San Francisco Chronicle "Brilliant, cranky, and eccentric, and the narrative passages are some of the most thrilling ever written." –Library Journal "Some of the author's most enduring themes—notably, sexual jealousy and betrayal—are present. . . . The narration shows traces of writers as various as Joyce and Beckett, e.e. cummings and J.P. Donleavy." –The Washington Post "The Abbott and Costello meet Samuel Beckett dialogue . . . makes you laugh out loud." –The Village Voice

'A dark, elegiac play, studded with brutally and swaggeringly funny jokes.' Sunday Times 'A deeply poignant, raffishly comic, emotion-charged study of the gulf between parents and children and the anguish of approaching death... Beckett, the poet of terminal stages, inevitably comes to mind. What instantly moves one is Pinter's image of a man confronting death in a spirit of rage, fear and uncertainty... The piss-taking Pinter humour and the undercutting of verbal pretence are all there. But what makes this an extraordinary play is that Pinter both corrals his familiar themes - the subjectiveness of memory, the unknowability of one's lifelong partner, the gap between the certain present and the uncertain past - and extends his territory. He shows, with unflinching candour, that in an age shorn of systems and beliefs we face "death's dateless date" in a state of mortal terror.' Guardian 'Pinter has written few more fascinating plays.' Times First staged at the Almeida Theatre, London, in September 1993, Moonlight was revived at the Donmar, London, in April 2011. 'The foremost representative of British drama in the second half of the twentieth century.' Swedish Academy citation on awarding Harold Pinter the Nobel Prize for Literature, 2005
