A New York Times bestseller by the author of *The Ninja*: An American uses his martial arts expertise to track a serial killer preying on the women of Tokyo. A sadist haunts the back alleys and sex clubs of Tokyo, picking up women, horrifically mutilating them, and leaving behind a calling card written in blood: This could be your wife. He kills fearlessly, certain the police will never catch him. The only man who might stop this fiend is Nicholas Linnear, a martial arts expert whose childhood education in the dojos of Japan has made him one of the country ' s leading practitioners of ninjutsu. But Linnear fears that his illness may have left him Shiro Ninja—stripped of his power and discipline. With the killer growing increasingly brazen, Linnear must summon all his strength and training before his own family becomes the next target. " Compelling [and] highly charged with action, " this is a chilling tale of menace, crime, and corruption featuring the half-British, half-Chinese hero of *The Ninja* and *The Miko*, by the #1 New York Times–bestselling author of the Jason Bourne series (Publishers Weekly).

Taro was just a fisherman's son... but then his father was murdered and he was forced to become a Blood Ninja, fated to live by night, doomed to live on the blood of others. But he has had his revenge. He has killed Lord Oda, the warlord who had his father assassinated. But Lord Oda is not quiet in his grave. He has found a way to reach beyond death and Taro and his friends soon find themselves facing samurai armies, a deadly enemy from the past and strange ghostly creatures who suck life from the living. Dangerously weakened, Taro, must recover the one object that Lord Oda was desperate to find before he died: the Buddha Ball, the source of limitless power. But if Taro is to complete his perilous quest - to save himself, his friends, his mother, and the girl he loves - he must go to hell and back and face his arch enemy once again. For Lord Oda has returned - as a Blood Ninja.

Could Taro, a fisherman ' s son, be destined for greatness? In the course of a day, Taro ' s entire life changes: His father is murdered before his eyes, and Taro is taken by a mysterious ninja on a perilous journey toward safety. Someone wants Taro dead, but who—and why? With his best friend, Hiro, and their ninja guide, Shusaku, Taro gets caught in the crossfire of a bitter conflict between rival lords for control of imperial Japan. As Taro trains to become a ninja himself, he ' s less and less sure that he wants to be one. But when his real identity is revealed, it becomes impossible for Taro to turn his back on his fate.

The fate of feudal Japan hangs in the balance in this bloody conclusion to the epic *Blood Ninja* trilogy. Taro is at a crossroads: He has vanquished Lord Oda for good, but with no land and no title, he has no hope of marrying Hana, the daughter of a daimyo. So when Taro receives news of a murderous dragon and the large reward for killing it, he and his friends find themselves on a dangerous quest to slay the beast. Their mission has the potential to save the people of Japan—but failure will result in the deaths of thousands. And dragons are not the only monsters they will encounter: The dead, led by the odious Kenji Kira, have begun to rise, and they have Taro in their sights. In this heart-stopping conclusion to the *Blood Ninja* trilogy, the future of all feudal Japan is in danger, and everything Taro holds dear will be threatened. But it is the betrayal of flesh and blood—his own flesh and blood—that may be his ultimate undoing.
