sports and journeys on the edge. In this spellbinding book, veteran travel and outdoor sports writer Peter Stark reenacts the dramas of what happens inside our bodies, our minds, and our souls when we push ourselves to the absolute limits of human endurance. Combining the adrenaline high of extreme sports with the startling facts of physiological reality, Stark narrates a series of outdoor adventure stories in which thrill can cross the line to mortal peril. Each death or brush with death is at once a suspense story, a cautionary tale, and a medical thriller. Stark describes in unforgettable detail exactly what goes through the mind of a cross-country skier as his body temperature plummets-- apathy at ninety-one degrees, stupor at ninety. He puts us inside the body of a doomed kayaker tumbling helplessly underwater for two minutes, five minutes, ten minutes. He conjures up the physiology of a snowboarder frantically trying not to panic as he consumes the tiny pocket of air trapped around his face under thousands of pounds of snow. These are among the dire situations that Stark transforms into harrowing accounts of how our bodies react to trauma, how reflexes and instinct compel us to fight back, and how, why, and when we let go of our will to live. In an increasingly tamed and homogenized world, risk is not only a means of escape but a path to spirituality. As Peter Stark writes, "You must try to understand death intimately and prepare yourself for death in order to live a full and satisfying life." In this fascinating, informative book, Stark reveals exactly what we 're getting ourselves into when we choose to live-- and die-- at the extremes of endurance.

When her father, who was imprisoned for killing her stepmother, comes home to die of cancer, humanitarian aid worker Gia Andrews, responsible for his care, is torn between the stories she grew up believing and the truth, while dealing with death threats, protestors and her attraction to a local bartender. in love with each other, fight their way through hard times to get their marriage approved. Lose your emotions to their heart-touching story and connect it to yours. As you read on, discover the weak points in your love life, so that you can make the most of it.

Years ago, I fell in love with a man named Maximilian Grant - tall, smooth talking, handsome as hell Maximilian Grant. He was my everything- a man who could do no wrong- but then he did the one thing he promised he'd never do: he broke my heart. Now, nearly four years later, I'm happily married to a man who has completely changed my life...but with my health hanging in the balance, I often wonder what his future entails, because I know there is a possibility that he'll have to live without me. John, my husband, is the love of my life, and I have never questioned our love...that is until my past comes knocking at the door. Every girl has that one guy-the one whom she can't seem to forget or completely let go of, no matter how toxic the relationship was, or how bad it ended. Well, this story is a little different. This is the story of how Maximilian Grant went from being my toxic first love, to the man who ultimately saves my life... and, trust me, this will not play out the way you think it will.

Some loves will last 'til your dying breath Every choice has consequences—but seventeen-year-old Layla faces tougher choices than most. Light or darkness. Wickedly sexy demon prince Roth, or Zayne, the gorgeous, protective Warden she never thought could be hers. Hardest of all, Layla has to decide which side of herself to trust. Layla has a new problem, too. A Lilin—the deadliest of demons—has been unleashed, wreaking havoc on those around her...including her best friend. To keep Sam from a fate much, much worse than death, Layla must strike a deal with the enemy while saving her city—and her race—from destruction. Torn between two worlds and two different boys, Layla has no certainties, least of all survival, especially when an old bargain comes back to haunt them all. But sometimes, when secrets are everywhere and the truth seems unknowable, you have to listen to your heart, pick a side—and then fight like hell...

When Pihu and Dushyant are wheeled into room 509 of GKL Hospital, all they know is that their lives are in the worst possible moment. Pihu has an incurable, fatal disease, and Dushyant's reckless addiction has begun to shut down his organs. Their only hope is to put their lives in the hands of their brilliant doctors. All they know is that they are looking at a terrifying death coming for them. But will they find love along the way? If there is anyone who can even attempt to treat Pihu's impossible condition, it is Dr Arman Kashyap. However, Arman isn't the easiest doctor to work with and Dushyant, his other difficult case, knows this first hand. Has Pihu placed all her eggs in the wrong basket? In this introduction to Till the Last Breath . . . , Durjoy Datta's most compelling story, meet Pihu, Dushyant, Arman and Zarah, four people whose lives are about to change forever.

On January 22, 1994, two-year old Renee Goode played happily with her sisters and cousin, as the four of them enjoyed an impromptu "slumber party" at the home of her father, Shane Goode. The next day she was dead. The local medical examiner could not determine the cause of little Renee's death. But her mother Annette and grandmother Sharon were convinced she'd been murdered--and that they knew the identity of Renee's killer: her handsome father, Shane Goode, a manipulative, emotionally abusive man who displayed virtually no interest in Renee--until he took out a \$50,000 insurance policy on her life. With the help of a courageous female police investigator and Assistant DA, Sharon launched a case against Shane and had Renee's tiny coffin, lovingly filled with her favorite stuffed animals, exhumed

from its final resting place. And her small corpse revealed what her grandmother had suspected all along: cold, calculating Shane Goode had murdered his own daughter to cash in on her death. *Till the Last Breath* is the winner of the 1999 Edgar Award for Best Fact Crime.

"This is a powerful tale of the triumph of love under extremely difficult conditions. " - Publishers Weekly At Leizer Bart's funeral, one of the mourners told his son Michael that the gravestone should include a reference to the Freedom Fighters of Nekamah, to honor his late father's involvement in the Jewish resistance movement in Vilna (now Vilnius), Lithuania, at the end of World War II. Michael had never heard his parents referenced as Freedom Fighters. Following his father's death, and with his mother in failing health, Michael embarked on a ten-year research project to find out more details about his parents' time in the Vilna ghetto, where they met, fell in love, and married, and about their activities as members of the Jewish resistance. *Until Our Last Breath* is the culmination of his research, and his parents' story of love and survival is seamlessly tied into the collective story of the Vilna ghetto, the partisans of Vilna, and the wider themes of world history. Zenia, Bart's mother, was born and raised in Vilna. Leizer fled there to escape the Nazi invasion of his hometown of Hrubieshov in Poland. They were married by one of the last remaining rabbis ninety days before the liquidation of the ghetto. Leizer was friends with Zionist leader Abba Kovner and became a member of the Vilna ghetto underground. Shortly before the total liquidation of the ghetto, Zenia and Leizer, along with about 120 members of the underground, were able to escape to the Rudnicki forest, about 25 miles away. They became part of the Jewish partisan fighting group led by Abba Kovner—known as the Avengers—which carried out sabotage missions against the Nazi army and eventually participated in the liberation of Vilna. *Until Our Last Breath* is intensely personal and painstakingly researched, a lasting memorial to the Jews of Vilna, including the resistance fighters and the author's family.
