Describes how to get the maximum benefit from one's sewing machine's embroidery functions, explaining how to copy designs off the internet, stabilize fabric and determine which threads and needles to use for optimal results. Original.

“ There's nothing better than an author who's made all the mistakes herself, has taught hundreds of others, and writes with humor. Chris James fills the bill. This beautiful book talks about knits, rolled hems, and flatlocking. At the end is a troubleshooting guide....The close-up color photos make her text even more understandable....highly recommended. ” —The Creative
