California Eclectic: A Topical Geography by GARVER SARA, WU LIN, HYSLOP RICHARD and a great selection of related books, art and collectibles available now at AbeBooks.com.

An annual collection of studies of individuals who have made major contributions to the development of geography and geographical thought. Subjects are drawn from all periods and from all parts of the world, and include famous names as well as those less well known: explorers, independent thinkers and scholars.

Each paper describes the geographer's education, life and work and discusses their influence and spread of academic ideas. Each study includes a select bibliography and brief chronology. The work includes a general index and a cumulative index of geographers listed in volumes published to date.
