This remarkable work of scholarship addresses the difficulties inherent in the American Constitution's separation of legislative and executive powers. In his first book, Wilson argues that in the years following the Civil War, the legislature received unfair advantages from the system of checks and balances, threatening the effectiveness of the constitutionally mandated separation of powers.

"Published by OpenStax College, American Government is designed to meet the scope and sequence requirements of the single-semester American Government course. This title includes innovative features designed to enhance student learning, including Insider Perspective features and a Get Connected module that shows students how they can get engaged in the political process. The book provides an important opportunity for students to learn the core concepts of American Government and understand how those concepts apply to their lives and the world around them. Our American Government textbook adheres to the scope and sequence of introductory American government courses nationwide. We have endeavored to make the workings of American Government interesting and accessible to students while maintaining the conceptual coverage and rigor inherent in the subject at the college level. With this objective in mind, the content of this textbook has been developed and arranged to provide a logical progression from the fundamental principles of institutional design at the founding, to avenues of political participation, to thorough coverage of the political structures that constitute American government. The book builds upon what students have already learned and emphasizes connections between topics as well as between theory and applications. The goal of each section is to enable students not just to recognize concepts, but to work with them in ways that will be useful in later courses, future careers, and as engaged citizens. The organization and pedagogical features were developed and vetted with feedback from American government instructors dedicated to the project."--BC Campus website.

Part II (p.315-359) concerns the removal of Aleuts to camps in southeastern Alaska and their subsequent resettlement at war's end.

Excerpt from Legislative History: Public Law 273, 84th Congress, Chapter 633, 1st Session, S. 1758 In connection with loans insured or converted under this section (1) the holder of the insured note shall be entitled to receive the benefits of the insurance as provided in section 13 (a) only in accordance with an agreement pursuant to section 12 (j) or when the assignment of the note is required by the Secretary, and (2) notice of default to the lender under section 12 (f) shall not be required. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Preface 2012 edition: The United States Code is the official codification of the general and permanent laws of the United States. The Code was first published in 1926, and a new edition of the code has been published every six years since 1934. The 2012 edition of the Code incorporates laws enacted through the One Hundred Twelfth Congress, Second session, the last of which was signed by the President on January 15, 2013. It does not include laws of the One Hundred Thirteenth Congress, First session, enacted between January 3, 2013, the date it convened, and January 15, 2013. By statutory authority this edition may be cited "U.S.C. 2012 ed." As adopted in 1926, the Code established prima facie the general and permanent laws of the United States. The underlying statutes reprinted in the Code remained in effect and controlled over the Code in case of any discrepancy. In 1947, Congress began enacting individual titles of the Code into positive law. When a title is enacted into positive law, the underlying statutes are repealed and the title then becomes legal evidence of the law. Currently, 26 of the 51 titles in the Code have been so enacted. These are identified in the table of titles near the beginning of each volume. The Law Revision Counsel of the House of Representatives continues to prepare legislation pursuant to 2 USC 285b to enact the remainder of the Code, on a title-by-title basis, into positive law. The 2012 edition of the Code was prepared and published under the supervision of Ralph V. Ssep, Law Revision Counsel. Grateful acknowledgment is made of the contributions by all who helped in this work, particularly the staffs of the Office of the Law Revision Counsel and the Government Printing Office. -- John. A. Boehner, Speaker of the House of Representatives, Washington, D.C., January 15, 2013--Page VII.

Four decades of Democratic control of Congress abruptly came to an end with the 1994 elections, which propelled the Republican party to an unfamiliar role as the majority party in both houses of Congress. Second-term congressman from Ohio Sherrod Brown was thrust into this frenetic first 100 days which were very partisan and often very nasty. Congress from the Inside takes freshman Congressman Brown through the halls of the Capitol as he learns his job; depicts the inner-working and deal-making of Congress; shows how legislation is crafted; and visits the offices of other members and small meetings where much of the work of Congress is done. Brown's third term, still as a member of the minority party, exposes the strengths and weaknesses of Congress as an institution, its successes and failures, its diversity and its elitism. This account of the transition from a political majority status to minority status discloses the trauma felt by one party and the exhilaration experienced by the other as one era ended and a new one began.

This convenient Portable Version of Edwards/Wattenberg/Lineberry,Government in America: People, Politics, and Policyfeatures all the content of the original comprehensive text split into four lightweight, paperbacks—accompanied by new practice tests at the back of each volume. Framing its content within a resonant“politics matters” themeandemphasizing public policythroughout,Government in Americailustrates the impact that government has on the daily lives of each and every American, motivating students to become active participants in all aspects of our political system, andhelping overcome the biggest challenge instructors face in this course -- student apathytoward government.
