G.A. Cooke's 1936 text offers an in-depth and useful discourse on the Book of Ezekiel, with a commentary that easily rivals modern-day studies. Abundant notes on the Hebrew assist readers not familiar with its complexities, and light is shed on some of the textual problems and challenges to be found in Ezekiel.

It was the year of the Lord 1685. With only the clothes they were dressed in, their Bibles hidden in loaves of hollowed bread, they fled before the French Catholic authorities. Die or be Catholic! were shouted by the heartless dragonnades with emphasis on the die. And when the second word followed, the Protestant Huguenot victims were already struckdying, brutally slaughtered in the name of Catholic Christianity! This terror swept through Paris, continued through the rest of France, after King Louis XIV revoked the Edict of Nantes proclaimed by his grandfather, King Henry the Great of France. This bloody highway in the name of Christianity took thousands of Huguenots lives and hundreds of thousands fled their country of birth to find refuge in America, other parts of Europe, and also South Africa. In South Africa, they started anew, with their God (of Israel) and their Bibles, and the home and
