and it immediately reminds one what all the fuss was about. Turning to the magic, mystery, and decadence of Venice, Berendt gradually reveals the truth behind a sensational fire that in 1996 destroyed the historic Fenice opera house. Encountering a rich cast of characters, Berendt tells a tale full

of atmosphere and surprise as the stories build, one after the other, ultimately coming together to portray a world as finely drawn as a still-life painting.

Evil walked the earth when angels fell.
Evil stalks us now in disembodied

immediate gratification on an eternal scale. By contrasting and comparing ancient texts such as Enoch, Jasher, Jubilees, the Bible, and various others containing stories of the creation of angels, demons, and man, a full and panoramic history of evil is produced. In this history the startling revelation of
