This open access book describes the three planning approaches and legacy impacts for the Olympic Games in one locale: the city of Los Angeles, USA. The author critically compares the similarities and differences of the LA Olympics by reviewing the 1932 and 1984 Olympics and by analyzing the concurrent planning process for the 2028 Olympics. The author unravels the conditions that make (or do not make) LA28s argument "we have staged the Games before, we can do it again" compelling. Setting the bids promises into the contemporary local and global mega-event contexts, the author analyzes why LA won the bids, how those wins allowed LA to negotiate concessions with the IOC and NOC, and how legacies were planned, executed, and ultimately evolved. The author concludes with a prediction which 2028 legacy promises might and might not be fulfilled given the local and international Olympic contexts.

The Coach Doc, Dr. Wade Gilbert, shares his research-supported doses of advice that have helped coaches around the globe troubleshoot their ailing programs into title contenders. His field-tested yet innovative prescriptions and protocols for a more professional approach to coaching are sure to produce positive results both in competitive outcomes and in the enjoyment of the experience for athletes and coaches. *Coaching Better Every Season* applies to all sports and guides coaches through the critical components of continual improvement while progressing from one season to the next in the annual coaching cycle. It also presents many practical exercises and evaluation tools that coaches can apply to athletes and teams at all levels of competition. This text is sure to make every year of coaching a more rewarding, if not a trophy-winning, experience.

Sport is a global phenomenon engaging billions of people and generating annual revenues of more than US\$ 145 billion. Problems in the governance of sports organisations, fixing of matches and staging of major sporting events have spurred action on many fronts. Yet attempts to stop corruption in sport are still at an early stage. The Global Corruption Report (GCR) on sport is the most comprehensive analysis of sports corruption to date. It consists of more than 60 contributions from leading experts in the fields of corruption and sport, from sports organisations, governments, multilateral institutions, sponsors, athletes, supporters, academia and the wider anti-corruption movement. This GCR provides essential analysis for understanding the corruption risks in sport, focusing on sports governance, the business of sport, planning of major events, and match-fixing. It highlights the significant work that has already been done and presents new approaches to strengthening integrity in sport. In addition to measuring transparency and accountability, the GCR gives priority to participation, from sponsors to athletes to supporters an essential to restoring trust in sport.

Following three teenagers who chose to spend one school year living in Finland, South Korea, and Poland, a literary journalist recounts how attitudes, parenting, and rigorous teaching have revolutionized these countries' education results.

"The embrace of women's sports sometimes feels almost like a political act...Molly Schiot's *Game Changers: The Unsung Heroines of Sports History* is so valuable." —The Wall Street Journal "A thoughtful, exhaustively researched, and long-overdue tribute to the women who have paved the way for the likes of Serena Williams, Abby Wambach, Simone Biles, and more." —espnW Based on the Instagram account @TheUnsungHeroines, a celebration of the pioneering, forgotten female athletes of the twentieth century that features rarely seen photos and new interviews with past and present game changers including Abby Wambach and Cari Champion. Two years ago, filmmaker Molly Schiot began the Instagram account @TheUnsungHeroines, posting a photo each day of a female athlete who had changed the face of sports around the globe in the pre-Title IX age. These women paved the way for Serena Williams, Carli Lloyd, and Lindsey Vonn, yet few today know who they are. Slowly but surely, the account gained a following, and the result is *Game Changers*, a beautifully illustrated collection of these trailblazers' rarely-before-seen photos and stories. Featuring icons Althea Gibson and Wyomia Tyus, complete unknowns Trudy Beck and Conchita Cintron, policymaker Margaret Dunkle, sportswriter Lisa Olson, and many more, *Game Changers* gives these "founding mothers" the attention and recognition they deserve, and features critical conversations between past and present gamechangers—including former US Women's National Soccer Team captain Abby Wambach and SportsCenter anchor Cari Champion—about what it means to be a woman on and off the field. Inspiring, empowering, and unforgettable, *Game Changers* is the perfect gift for anyone who has a love of the game.
