Building on the research-proven instructional techniques introduced in Knight's Physics for Scientists and Engineers, the most widely adopted new physics text in more than 30 years, College Physics: A Strategic Approach set a new standard for algebra-based introductory physics--gaining widespread critical acclaim from professors and students alike. For the Second Edition, Randy Knight, Brian Jones, and Stuart Field continue to apply the best results from educational research and refine and tailor them for this course and the particular needs of its students. New pedagogical features (Chapter Previews, Integrated Examples, and Part Summary problems) and fine-tuned and streamlined content take the hallmarks of the First Edition--exceptionally effective conceptual explanation and problem-solving instruction--to a new level. More than any other book, College Physics leads you to proficient and long-lasting problem-solving skills, a deeper and better-connected understanding of the concepts, and a broader picture of the relevance of physics to your chosen career and the world around you. College Physics Technology Update, Second Edition, is accompanied by a significantly more robust MasteringPhysics(R)--the most advanced, educationally effective, and widely used online physics tutorial and homework system in the world. Additionally, more than 100 QR codes appear throughout the textbook, enabling you to use your smartphone or tablet to instantly watch interactive videos about relevant demonstrations or problem-solving strategies. 0321815114 / 9780321815118 College Physics: A Strategic Approach Technology Update with MasteringPhysics(R) Package consists of: 0321636600 / 9780321636607 MasteringPhysics(TM) with Pearson eText Student Access Kit for College Physics: A Strategic Approach 0321815408 / 9780321815408 College Physics: A Strategic Approach Technology Update

NOTE: Before purchasing, check with your instructor to ensure you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, and registrations are not transferable. To register for and use Pearson's MyLab & Mastering products, you may also need a Course ID, which your instructor will provide. Used books, rentals, and purchases made outside of Pearson If purchasing or renting from companies other than Pearson, the access codes for Pearson's MyLab & Mastering products may not be included, may be incorrect, or may be previously redeemed. Check with the seller before completing your purchase. Intended for algebra-based introductory physics courses. This package includes MasteringPhysics®. Built from the ground up for optimal learning; refined to help students focus on the big picture College Physics: A Strategic Approach Technology Update applies the best results from educational research, extensive user feedback and metadata to all design and content, helping more students understand the big picture, gain crucial problem-solving skills and confidence, and better prepare for class. College Physics: A Strategic Approach Technology Update, Third Edition is accompanied by a significantly more robust MasteringPhysics before, during, and after class. New Dynamic Study Modules focused on fundamental math and physics concepts help students better prepare before class while new Prelecture Videos address common misconceptions students have when learning physics for the first time while reinforcing class preparation. Now, more than 200 new QR codes appear throughout the textbook, enabling students to use their smartphone or tablet to instantly watch interactive videos about relevant demonstrations, new Dynamic Figure Videos, problem solving strategies, and solutions explained by the authors. Newly Enhanced End-of-Chapter Questions offer students instructional support right when they need it, including wrong-answer specific feedback, links to the eText, and math remediation when completing homework assignments. Personalize learning with MasteringPhysics MasteringPhysics from Pearson is the leading online homework, tutorial, and assessment system, designed to improve results by engaging students before, during, and after class with powerful content. Instructors ensure students arrive ready to learn by assigning educationally effective content before class, and encourage critical thinking and retention with in-class resources such as Learning Catalytics. Students can further master concepts after class through assignments that provide hints and answer-specific feedback. The Mastering gradebook records scores for all automatically graded assignments in one place, while diagnostic tools give instructors access to rich data to assess student understanding and misconceptions. 013416783X / 9780134167831 College Physics: A Strategic Approach Technology Update Plus MasteringPhysics with eText -- Access Card Package Package consists of: 0134143329 / 9780134143323 College Physics: A Strategic Approach Technology Update 0321905202 / 9780321905208 MasteringPhysics with Pearson eText -- ValuePack Access Card -- for College Physics: A Strategic Approach 0321908864 / 9780321908865 Student's Workbook for College Physics: A Strategic Approach Volume 1 (Chs. 1-16) 0321908872 / 9780321908872 Student's Workbook for College Physics: A Strategic Approach Volume 2 (Chs. 17-30)

These popular and proven workbooks help students build confidence before attempting end-of-chapter problems. They provide short exercises that focus on developing a particular skill, mostly requiring students to draw or interpret sketches and graphs.
