Knowledge is not sufficient when it comes to secure a seat in one of the IITs. The student must develop skills to translate knowledge into performance on the JEE (Advanced) examination day. We have observed that many talented students fail in JEE (Advanced) in spite of having talent, capability, and a strong will to succeed. Due to lack of confidence, poor examination temperament & time management, the insufficient practice of taking an exam in actual examination conditions. To overcome this, a student should do sufficient practice by taking similar tests several times before the FINAL exam so that student develops all requisite competitive skills to get success in the final examination. With this objective in mind, we are presenting this book before you containing full syllabus tests as per the latest pattern. These tests will give you an
