Generation e-novella! The wedding of Captain Jean-Luc Picard to Doctor Beverly Crusher was a small, private affair overseen by the mayor of La Barre, France, and witnessed by the groom's sister-in-law and the mayor's wife. At least that's what the happy couple always told their friends. On the anniversary of that blessed day, however, Worf and Geordi La Forge manage to coax the real story out of the pair, to discover a tale of mythical treasure and a lost civilization in the Delta Quadrant. It all begins when the omnipotent being Q crashes the festivities, declaring himself best man and bringing along an unwilling guest as a surprise for the groom...

Payton and Emma are headed for celebrity status in this L.A. adventure! After their adventures in New York City, identical twins Payton and Emma Mills thought life

would go back to normal. But when the girls are asked to star in a Teen Sheen shampoo commercial, they can't resist—especially because the shoot is in Hollywood! Suddenly life isn't so normal, especially when it involves Ashlynn (Payton's camp nemesis), a supercute heartthrob singer, and a cutthroat movie star wannabe. When a mix-up at the commercial threatens to shut down production, can Payton, Emma, and their twin-switching ways save the day? Or will they have to say good-bye to Hollywood?

Identical twin sisters Payton and Emma Mills have “traded faces” and created “twin-dential chaos” at school and at home. But you haven't seen anything yet. Payton and Emma are off to “twin-vade” New York City! Payton's drama club plans a field trip to see an off-Broadway show, and Emma's mathletes team will

compete in an elite competition. Sounds twin-tastic! But Payton never imagined the star of the show would be Ashlynn, her old nemesis from summer camp whose chores Payton traded for designer clothes. Are Payton's "Summer Slave" days coming back to haunt her? Or will she be saved by a flip-flop twin swap? Emma has her own nemesis to face—she and Jazmine James are on the same team. But teamwork? Not so much. Since Jazmine is in it to win it...will Emma have to "twin" it? Payton and Emma must do a 'twins-formation' to rescue each other again. And again! (Not again!) Toss in cute boys, crazy triplet poofy Pomeranian stage puppies, and New York City and things get a little twin-sane. Is the big city ready for Payton and Emma! (or is it Emma and Payton?) and their mixed-up mayhem? Which is which in the biggest twin switch yet!

While continuing to switch places in middle school, identical twins Payton and Emma compete with triplets Dexter, Oliver, and Asher at the Multipalooza festival.

Payton and Emma left a trail of chaos in their wake when they “traded faces” just for fun. This time they’ll switch places to help each other and their friends out of a ginormous mess! Payton is helping out on the middle school musical while Emma puts her brains to use by tutoring—more like “twotoring”—identical twin boys. But when the boys turn out to be double trouble, Payton and Emma’s worlds collide and lead to more middle-school mix-ups and mayhem. In the end, Payton and Emma realize that no matter what, they have each other’s backs (as well as faces).

In *Trading Faces*, identical twin sisters Emma (the smart one) and Payton (the popular one) start seventh grade at a brand-new school and discover they've been assigned entirely different schedules—so when they get sick of their respective cliques, they secretly switch places. What ensues is a hilarious yet poignant romp from middle school to the mall as the twins learn what it means to be true to yourself, even when the rest of the world isn't making it easy.
