The Entry of the Gladiators will be very familiar to anyone who has been to a circus as it was regularly used as a circus signature tune in an abbreviated form. The opening Florentine March is equally well known and the 'Der alte Brummbär' offers a delightful bassoon solo with orchestra.

Fun, it's such a big word despite being so small. It's time for a break, despite having just begun, as Zed and three of his friends head to the Dominion of Bunka for music, art and all manner of entertainment. We recommend, Taking in one of the many shows, visiting the circus of nightmares, watching the dancing cats, laughing at a hilarious cartoon. Or you could just join a band and play the rhapsody for all to see. There are all manner of things to do at this place, where no one can come to harm and the only idea is to enjoy yourself. But not everyone is there for fun, for some people take fun very seriously. Who is this singer with honeyed words and beautiful looks? Who is this idol that holds the power to sway the masses? Who is this Diva that eyes the Overlord so hungrily? And finally, what is this mysterious lab hidden under the Red Hand base actually doing down there? So, grab your instrument, crack your fingers and move in time with the beat, as we have the time of our lives and seek the Greatest of Fortunes.

Position Pieces for Cello is designed to give students a logical and fun way to learn their way around the fingerboard. Each

hand position is introduced with exercises called "Target Practice," "Geography Quiz," and "Names and Numbers." Following these exercises are tuneful cello duets which have been specifically composed to require students to play in that hand position. In this way, students gain a thorough knowledge of how to find the hand positions and, once there, which notes are possible to play. Using these pieces (with names like "I Was a Teenage Monster," "The Irish Tenor," and "I've Got the Blues, Baby"), position study on the cello has never been so much fun!
