Who Will Usher in Earth's Final Days? Are we living in the end times? Is it possible that the players depicted in the book of Revelation could be out in force today? And if they are, would you know how to recognize them? In Agents of the Apocalypse, noted prophecy expert Dr. David Jeremiah does what no prophecy expert has done before. He explores the book of Revelation through the lens of its major players—the exiled, the martyrs, the elders, the victor, the king, the judge, the 144,000, the witnesses, the false prophet, and the beast. One by one, Dr. Jeremiah delves into their individual personalities and motives, and the role that each plays in biblical prophecy. Then he provides readers with the critical clues and information needed to recognize their presence and power in the world today. The stage is set, and the curtain is about to rise on Earth's final act. Will you be ready?

From one of the world's most beloved Bible teachers comes a timely, compelling, and comprehensive biblical interpretation of Bible prophecy, the end times, and the apocalypse viewed through the lens of current world events. Many Christians struggle to understand the Book of Revelation. "The end times." "The apocalypse." "The day of judgment." These terms are both fascinating and frightening – but what do they really mean? Drawing from decades of study, Dr. Jeremiah explains every key sign of the approaching apocalypse and what it means for you, including international, cultural, heavenly, tribulation, and end signs. With his engaging writing style and clear analysis of how current world events were foretold in the Bible, The Book of Signs is an encouraging guide to the Book of Revelation. In The Book of Signs, Dr. David Jeremiah

offers answers to questions including: What does the Bible tell us about the future? How much can we understand about biblical prophecy and its application in our lives? What signs and signals will precede the end of everything as we know it? Which of those signs and signals have already come to pass, which are we experiencing now, and which are still to come? An epic and authoritative guide to biblical prophecy, *The Book of Signs* is a must-have resource for Christians seeking to navigate the uncertainties of the present and embrace God's promises for the future with a renewed sense of hope and purpose.

In the New York Times best-selling book, *What in the World Is Going On?*, Dr. David Jeremiah answers the hard questions, including these: "How is prophecy playing out in modern Europe?" "Why does Israel matter?" "How are oil reserves and Islamic terrorism related?" "Does the United States play a role in prophecy?" "How should we live in the end times?" The Bible has plenty to say about end times. But until now, there has been no other book that—in straightforward prose that's easy to understand—gathers ten scriptural prophecies, lays out a chronological checklist, and offers a guideline for sorting it all out. In *What in the World Is Going On?* Dr. David Jeremiah answers the hard questions, including these: "How is prophecy playing out in modern Europe?" "Why does Israel matter?" "How are oil reserves and Islamic terrorism related?" "Does the United States play a role in prophecy?" "How should we live in the end times?" Events unfolding in today's world are certainly unsettling, but they need not be confusing or frightening. Now you can know the meaning behind what you see in the daily news—and understand what in the world is going on! "A clear, compelling primer on God's heart for Israel and the dramatic Bible prophecies that will unfold in these last days. What I loved most is that David Jeremiah unashamedly examines and explains the biggest global trends of our day through the Third Lens of Scripture. And his description of Jesus' unconditional love and compassion for Jews and Muslims is alone worth the read!" —Joel C. Rosenberg, New York Times best-selling author, *The Last Jihad and Epicenter: Why the Current Rumbles in the Middle East Will Change Your World*

A New Translation From The French By Marion Wiesel Born in Sighet, Transylvania, Elie Wiesel was a teenager when he and his family were taken from their home in 1944 and deported to the Auschwitz concentration camp, and then to Buchenwald. *Night* is the terrifying record of Elie Wiesel's memories of the death of his family, the death of his own innocence, and his despair as a deeply observant Jew confronting the absolute evil of man. This new translation by his wife and most frequent translator, Marion Wiesel, corrects important details and presents the most accurate rendering in English of Elie Wiesel's seminal work.

This novel is based on true accounts. I have conducted many interviews here in the United States and have traveled to Cyprus for additional research. The atrocities described in the novel are factual. When Turkish soldiers invade his Cypriot village in 1974, twelve-year old Haji witnesses brutal atrocities, including the torturous murders of his father and sister while his pregnant mother was repeatedly being raped. With the help of his beautiful school teacher Rebecca, (dishonored many times by Turkish soldiers) they flee their village only to face constant life-threatening danger wherever they went; as the barbaric Turkish soldiers continue to pursue them. Their struggle to survive the Turkish soldiers and then to erase their horrible memories that haunt them lead to the dramatic ending.
