Alisha Rai, one of contemporary romance ' s brightest stars, makes her Avon Books debut with the first novel in the sexy Forbidden Hearts series! One night. No one will know. That was the deal. Every year, Livvy Kane and Nicholas Chandler would share one perfect night of illicit pleasure. The forbidden hours let them forget the tragedy that haunted their pasts—and the last names that made them enemies. Until the night she didn ' t show up. Now Nicholas has an empire to run. He doesn ' t have time for distractions and Livvy ' s sudden reappearance in town is a major distraction. She ' s the one woman he shouldn ' t want . . . so why can ' t he forget how right she feels in his bed? Livvy didn ' t come home for Nicholas, but fate seems determined to remind her of his presence—and their past. Although the passion between them might have once run hot and deep, not even love can overcome the scandal that divided their families. Being together might be against all the rules . . . but being apart is impossible. One of Amazon's Best Romances of the Month & Best Romances of 2017!

One day Sophie comes home from school to find two questions in her mail: "Who are you?" and "Where does the world come from?" Before she knows it she is enrolled in a correspondence course with a mysterious philosopher. Thus begins Jostein Gaarder's unique novel, which is not only a mystery, but also a complete

and entertaining history of philosophy.

The New York Times bestselling author of *The Unhoneymooners* returns with a witty and effervescent novel about what happens when two people with everything on the line are thrown together by science—or is it fate? Perfect for fans of *The Rosie Project* and *One Plus One*. Single mom Jess Davis is a data and statistics wizard, but no amount of number crunching can convince her to step back into the dating world. Raised by her grandparents—who now help raise her seven-year-old daughter, Juno—Jess has been left behind too often to feel comfortable letting anyone in. After all, her father’s never been around, her hard-partying mother disappeared when she was six, and her ex decided he wasn’t “father material” before Juno was even born. Jess holds her loved ones close, but working constantly to stay afloat is hard...and lonely. But then Jess hears about GeneticAlly, a buzzy new DNA-based matchmaking company that’s predicted to change dating forever. Finding a soulmate through DNA? The reliability of numbers: This Jess understands. At least she thought she did, until her test shows an unheard-of 98% compatibility with another subject in the database: GeneticAlly’s founder, Dr. River Pena. This is one number she can’t wrap her head around, because she already knows Dr. Pena. The stuck-up, stubborn man is without a doubt not her soulmate. But GeneticAlly has a proposition: Get to know him and we’ll pay you. Jess—who is barely making ends meet—is in no position to turn it down, despite her skepticism about the project and her dislike for River. As the pair are dragged from one event to the next as the “Diamond” pairing that could make GeneticAlly a mint in stock prices, Jess begins to realize that there might be more to the scientist—and the science behind a soulmate—than she thought. Funny, warm, and full of heart, *The Soulmate Equation* proves that the delicate balance between fate and choice can never be calculated.

The lives of two sisters--Nettie, a missionary in Africa, and Celie, a southern woman married to a man she hates--are revealed in a series of letters exchanged over thirty years

This companion presents a critical collection of Sinhala resistance literature from Sri Lanka. It includes translated short stories and excerpts from Sinhala novels, written after the civil war in the country. Featuring national award-winning writers, the selected texts share a common theme of resistance as the writers write against an exclusivist nationalism that was propagated through mass media and platforms of party politics in Sri Lanka during the war. The volume addresses crucial issues such as the fate of civilians in war, the role of religion in Sri Lankan polity, media censorship, the experience of women in war, as well as the current education system and youth problems in present day Sri Lanka. It highlights an alternate discourse that runs among the ethnic Sinhala group and contributes to the overall movement towards peace and reconciliation among the different ethnic communities in Sri Lanka. A unique addition to the growing oeuvre of translated Sinhala literature, the companion will be indispensable to students, scholars, and researchers of ethnic studies, war and peace studies, peace and conflict studies, literature, cultural studies, political sociology, and South Asian studies, particularly those interested in Sri Lankan literature.

*Waking the Tiger* is a novel set in late-1950s Sri Lanka, a country at the edge of a gathering storm of violence. Feinberg weaves a complex story of the clash between cultures and castes, expats and ex-colonials, Hindu swamis and Buddhist priests, politicians and entrepreneurs, Sinhalese and Tamils, idealism and realism. Filled with vivid accounts of local customs and locales, *Waking the Tiger* sardonically describes the underbelly of an apparent paradise. Feinberg lived in Sri Lanka with his family from 1957-1958, when he was Fulbright lecturer in American Literature at the University of Ceylon.

Belly spends the summer she turns sixteen at the beach just like every other summer of her life, but this time things are very different.
