Firestarter was one of the few "classic" Kings I had left to read (I had never watched the movie either), and yet I wasn't particularly excited about it, it seemed like a Carrie Andy and Vicky McGee take part in a top-secret government experiment, gaining psychic powers.

FIRESTARTER is a disappointment, and does not live up to its predecessors. Ultimately, it promised great things, but ended up flat, dull and un compelling. For the third and final book in the TIMEKEEPER series, I expected FIRESTARTER to compel me from start to finish, to rip out my heart and tear it asunder. To make me feel, deeply and thoughtfully.

Firestarter (Timekeeper #3) by Tara Sim - Goodreads

Firestarter seems to be an under appreciated tale, if such a thing were ever possible, from Stephen King. It never seems to be on any list touting his greatest works. It is, however, a very worthy story with strong characters mixed with a story that feels like it's smack dab out of the late 1970's TV show, In Search Of.

Each story foll. Jan Carson's *The Fire Starters* examines fatherhood in a really interesting way. The novel follows two separate narrative strands – both set in East Belfast but one is a realistic look at criminal elements and the other is a fantastical tale involving children with supernatural abilities.

Ben Stokes is not cast in the same mould as the vast majority of English cricketers. Fiery, combative, gladiatorial - he plays the game hard and with great gusto. He is an all-rounder who bats, bowls and fields at full throttle. Some opponents feel threatened by his physical stature and aggressive brand of cricket. Stokes simply doesn't back down, smashing the next ball for six, bowling his 90 mph "chin music", or taking a breathtakingly full-stretch catch at backward point. Whether it's thrashing the fastest ever Test century at Lord's or the quickest ever Test double-hundred by an Englishman (against South Africa at Cape Town, in January) or destroying the Australian batting at Trent Bridge, Stokes plays the game he loves with his heart on his sleeve and with 100% effort and commitment. Cricket fans adore him for it. His very first book focuses on the pivotal moments in his life and career so far. These episodes are vibrant, emotional, poignant - revealing the man in three dimensions, red in tooth and claw. The final installment of the Timekeeper trilogy. The crew of the Prometheus is intent on taking down the world's clock towers so that time can run freely. Now captives, Colton, Daphne, and the others have a stark choice: join the Prometheus's cause or fight back in any small way they can and face the consequences. But Zavier, leader of the terrorists, has a bigger plan—to bring back the lost god of time. As new threats emerge, loyalties must shift. No matter where the Prometheus goes—Prague, Austria, India—nowhere is safe, and every second ticks closer toward the eleventh hour. Walking the line between villainy and heroism, each will have to choose what's most important: saving those you love at the expense of the many, or making impossible sacrifices for the sake of a better world.

Eighteen-year-old Daunis Fontaine has never quite fit in, both in her hometown and on the nearby Ojibwe reservation. She dreams of a fresh start at college, but when family tragedy strikes, Daunis puts her future on hold to look after her fragile mother. The only bright spot is meeting Jamie, the charming new recruit on her brother Levi's hockey team. Yet even as Daunis falls for Jamie, she senses the dashing hockey star is hiding something. Everything comes to light when Daunis witnesses a shocking murder, thrusting her into an FBI investigation of a lethal new drug. Reluctantly, Daunis agrees to go undercover, drawing on her knowledge of chemistry and Ojibwe traditional medicine to track down the source. But the search for truth is more complicated than Daunis imagined, exposing secrets and old scars. At the same time, she grows concerned with an investigation that seems more focused on punishing the offenders than protecting the victims. Now, as the deceptions—and deaths—keep growing, Daunis must learn what it means to be a strong Anishinaabe kwe (Ojibwe woman) and how

Now a major motion picture starring Ewan McGregor! From master storyteller Stephen King, his unforgettable and terrifying sequel to *The Shining*—an instant #1 New York Times bestseller that is “[a] vivid frightscape” (*The New York Times*). Years ago, the haunting of the Overlook Hotel nearly broke young Dan Torrance’s sanity, as his paranormal gift known as “the shining” opened a door straight into hell. And even though Dan is all grown up, the ghosts of the Overlook—and his father’s legacy of alcoholism and violence—kept him drifting aimlessly for most of his life. Now, Dan has finally found some order in the chaos by working in a local hospice, earning the nickname “Doctor Sleep” by secretly using his special abilities to comfort the dying and prepare them for the afterlife. But when he unexpectedly meets twelve-year-old Abra Stone—who possesses an even more powerful manifestation of the shining—the two find their lives in sudden jeopardy at the hands of the ageless and murderous nomadic tribe known as the True Knot, reigniting Dan’s own demons and summoning him to battle for this young girl’s soul and survival...

Stephen King's legendary debut, the bestselling smash hit that put him on the map as one of America's favorite writers "Gory and horrifying. . . . You can't put it down." —Chicago Tribune Unpopular at school and subjected to her mother's religious fanaticism at home, Carrie White does not have it easy. But while she may be picked on by her classmates, she has a gift she's kept secret since she was a little girl: she can move things with her mind. Doors lock. Candles fall. Her ability has been both a power and a problem. And when she finds herself the recipient of a sudden act of kindness, Carrie feels like she's finally been given a chance to be normal. She hopes that the nightmare of her classmates' vicious taunts is over . . . but an unexpected and cruel prank turns her gift into a weapon of horror so destructive that the town may never recover.

Clock mechanic Danny Hart knows he's being watched. But by whom, or what, remains a mystery. To make matters worse, clock towers have begun falling in India, though time hasn't Stopped yet. He'd hoped after reuniting with his father and exploring his relationship with Colton, he'd have some time to settle into his new life. Instead, he's asked to investigate the attacks. After inspecting some of the fallen Indian towers, he realizes the British occupation may be sparking more than just attacks. And as Danny and Colton unravel more secrets about their past, they find themselves on a dark and dangerous path—one from which they may never return.

home to raise their children. Evan's the county Sheriff; Holly is still a trouble-making Spellbinder trying to manipulate her family as if they were characters in one of her novels. But something's not right in Pocahontas County. Churches are being burned down in mysterious arsons with a taint of magic on them. Sheriff Lachlan suspects that they have something to do with the new owners of the old Westmoreland plantation, now a very upscale Inn, but even if he could find proof, it's going to be hard to bring a case of Black Magic before a Judge -- even in Pocahontas County, where witchcraft is the family business of all the oldest clans.
