Pepsi Generation? You're forgetting one thing. Mad Movies! It was the coolest, hardest to find show on television! Back when there were fewer channels, and the channels you did find ran both the old and the new stuff together, hence letting you appreciate The Cosby Show and Casablanca in equal measure. And the funniest show on TV to take advantage of that extinct anomaly was Mad Movies, the first series to make fun of old movies by changing its soundtrack, dubbing in sounds and talk funnier than the Three Stooges! as oppositional to ideas of femininity that they see as personally and politically constraining and that "femininity" comprises social behaviors and practices that mean as "many different things as there are women," some of which are empowering and others of which are not. This book illuminates how throughout the twentieth century and into the twenty-first, playwrights and artists in American theatre both embodied and disrupted the feminine of their times. Through approaches as wide ranging as performing their own recipes, energizing silences, raging against war

and rape, and inviting the public to inscribe their naked bodies, theatre artists have used performance as a site to insert themselves between the physicality of their female presence and the liminality of their disrupting the role of the feminine. Capturing that place of liminality, a neither-here-nor-there place that is often unsafe, where the established order is overturned by acts as banal as raising a plant, women have written and performed and disrupted their way through one hundred years of theatre history, even within the constraints of a
