NEW YORK TIMES BESTSELLER • “ A fascinating look at how consumers perceive logos, ads, commercials, brands, and products. ” —Time How much do we know about why we buy? What truly influences our decisions in today ' s message-cluttered world? In Buyology, Martin Lindstrom presents the astonishing findings from his groundbreaking three-year, seven-million-dollar neuromarketing study—a cutting-edge experiment that peered inside the brains of 2,000 volunteers from all around the world as they encountered various ads, logos, commercials, brands, and products. His startling results shatter much of what we have

long believed about what captures our interest—and drives us to buy. Among the questions he explores: • Does sex actually sell? • Does subliminal advertising still surround us? • Can “cool” brands trigger our mating instincts? • Can our other senses—smell, touch, and sound—be aroused when we see a product? Buyology is a fascinating and shocking journey into the mind of today's consumer that will captivate anyone who's been seduced—or turned off—by marketers' relentless attempts to win our loyalty, our money, and our minds.

This book gathers the latest experience of experts, research teams and leading organizations involved in computer-aided design of user interfaces of interactive applications. This area investigates how it is desirable and possible to support, to facilitate and to speed up the development life cycle of any interactive system. In particular, it stresses how the design activity could be better understood for different types of advanced interactive systems.

East meets West in this award – winning book of Chinese style by superstar fashion designer Vivienne Tam – and now it's in a cute, smaller trim size trade paperback! Celebrated fashion designer Vivienne Tam shares the rare individuality of her own cross – cultural style, combining traditional eastern elements with a modern Western edge. The seductive East – meets – West style is brought alive as Tam takes us on a personal journey featuring the people, places, and things that inspire her. From the sexy cheongsam (the ultimate feminine dress) to the Mao jacket (gives power dressing a whole new meaning), from the elaborate Chinese opera houses to Zen gardens, she teaches such us how to savour the world in a bowl of noodles and the essence of Chinese design in her favourite Ming chair. China Chic is style that is hot, hip, and pervasive to today's – and tomorrow's – pop culture.
