Goldendoodles are moderately energetic, preferring 20-30 minutes per day of daily exercise. They need room to roam, so having an outdoor fenced space is very helpful, though they primarily will want to be inside next to their owners when you are home. Life Span: Goldendoodles live between 10 – 15 years on average.

Lively, funny, intelligent, and true: that's the Goldendoodle. This beautiful dog is a cross between the cheerful, happy-go-lucky Golden Retriever and the faithful, fun-loving Poodle. First bred about three decades ago, these now-popular dogs make faithful household companions. Here is everything new pet owners will need to know about life with their Goldendoodle. Like all of B.E.S. Complete Pet Owner's Manuals, this book is filled with useful information and heavily illustrated with instructive, high-quality photos. Every book in this series is written by breeders, trainers, veterinarians, and other pet-care specialists, and offers advice on purchasing, feeding, health care, training, grooming, and other aspects of responsible pet ownership.

When it comes to popular dog breeds, Goldendoodles are all the rage these days—and for good reason! This breed combines the adorable playfulness of the Golden Retriever with the intelligence (and low-shed coat) of the Poodle. This dog makes a great companion for owners in different types of homes. Your Goldendoodle may be the star pupil of the obedience class, a champion Frisbee player, or the best at

Cleverly written & well researched with info gathered from UK & US breeders & owners, so first-hand knowledge "straight from the horse"s mouth," I can't put it down!" J SHEARMAN, DEVON, UK (Cockapoo Handbook) "This is a very easy & smart read! So many things to know about this special kind of dog, they are all in this book. We love all the easy to understand tips. Would recommend this to anyone that has one of these critters," K. SIMMONS, ARIZONA ,USA (Labradoodle Handbook) "Absolutely brilliant book! Highly recommended reading for all new Pug owners. This book has breed-specific information on every topic, unlike a lot of handbooks which have generalised dog information with only a small section on the actual breed," S. EVANS, CARMARTHENSHIRE, WALES, UK (Complete Pug Handbook) " This handbook is a great tool for a new owner or someone looking into the breed. Schnauzers are a great breed for someone with allergies, like our household. An excellent read & resource," T. HOLT, CONNECTICUT, USA (Schnauzer Handbook)

New York Times bestselling author Maria Goodavage takes us on a thrilling, delightful, globe-trotting journey to discover the heartwarming and fascinating new world of doctor dogs. In this groundbreaking book, Goodavage brings us behind the scenes of cutting-edge science at top research centers, and into the lives of people whose well-being depends on their devoted, highly skilled personal MDs (medical dogs). With her signature wit and passion, Goodavage explores how doctor dogs are becoming our happy allies in the fight against dozens of physical and mental conditions. We meet dogs who detect cancer and Parkinson ' s disease, and dogs who alert people to seizures and diabetic lows or highs and other life-threatening physical ailments. Goodavage reveals the revolutionary ways dogs are helping those with autism, anxiety, depression, schizophrenia, and post-traumatic stress disorder. And she introduces us to intrepid canines who are protecting us from antibiotic-resistant bugs, and to dogs who may one day help keep us safe from epidemic catastrophe. Their paycheck for their lifesaving work? Heartfelt praise and a tasty treat or favorite toy. The emotional element in Doctor Dogs delivers as powerfully as the science. You don ' t have to be a dog lover to care deeply about what these dogs are doing and what we are learning from them—although if you ' re not a dog lover, you probably will be by the end of the book.
