Meet Desmond Cole!
A fearless eight-year-old who runs his own ghost patrol, looking for ghosts, monsters, and mischief makers everywhere. Oh, and he just so happens to be my new best friend...and thank goodness! Because

Where To Download

I'm afraid of everything. Welcome to Kersville, a town with a spooky history and a collection of ghosts and spirits who are major mischief-makers. Most kids spend their days without ever seeing or dealing with a ghost, but some kids get stuck with a haunt. When that

Where To Download

happens, they call
Desmond Cole Ghost
Patrol. Desmond is
the hall monitor of
ghosts and monsters.
There ' s no job too
spooky, icky, or risky
for Desmond. I ' m
not like that at all. My
name ' s Andres
Miedoso. I ' m
Desmond ' s best
friend. We do
everything

Where To Download

together...including
catch ghosts. Seems
cool, right? There 's
only one problem:

I 'm afraid of
everything. With easy-
to-read language and
illustrations on
almost every page,
the Desmond Cole
Ghost Patrol chapter
books are perfect for
emerging readers.

Some people would die to have the perfect picture. Derrick, the new kid at Boulder High, seems a little strange. Maybe he 's just shy, or marches to the beat of a different drummer, but he gives Cynthia the creeps. He 's got talent with a camera, though, and quickly

Where To Download

earns a spot in the school photography club with Megan, who has been having strange dreams ever since he arrived.

When the pretty girls Derrick photographs for the school paper begin getting sick, Megan realizes his camera can do more than take spectacular photos—it can

Where To Download

actually kill. And Megan is not immune to Derrick ' s control. Can she stop him before she becomes his next victim?

A movie producer, in town to film a reenactment of a centuries-old crime, offers Nancy a role in the movie, but it soon becomes apparent

Where To Download

that someone is sabotaging the film, and Nancy sets out to solve the mystery.

And Morphan

This series provides a rich resource of information with maximum impact.

1000 facts are covered by 100 topics, each with 10 key points that provide a simple but

Where To Download

memorable handle on
the subject.

Fascinating
information panels as
well as extended
captions amplify this
quick-fire approach.

of illustrations from
Nick Sharratt
throughout. Pre-order
today and be one of
the first to read

Tracy's new story!

Praise for Tracy

Beaker: 'An appealing
mix of events and
reactions that are
both entertaining and
moving. A book that
lingers in the mind
long after it is put

down.' (The Guardian)

'A breath of fresh air.

It is entertaining yet
tender but by no

means sentimental

when it confronts the
need we all have for
commitment in

relationships, for

trust, for love ... A real

bonus is that the

book genuinely

celebrates the act of

writing - and not by

And Morphan

Sam and Hannah only have the holidays to find 'The One'. Their lobster. But instead of being epic, their summer is looking awkward. They must navigate social misunderstandings,

Where To Download

the plotting of well-meaning friends, and their own fears of being virgins for ever to find happiness. But fate is at work to bring them together. And in the end, it all boils down to love.

Behind the closed doors of corporate management lurks a manifesto so devious,

Where To Download

so insidious, and of such diabolic power, it has the ability to transform normal human beings into paradigm-spewing zombies. Its purpose: to help bosses stick it to their employees. Its author: none other than Dogbert, the canine corporate consultant out to rule the world. All too

Where To Download

Often, new managers make mistakes such as rewarding good work with good pay, communicating clearly and improving departmental efficiency. Dogbert shows that this could have devastating consequences: Employees begin to expect fair treatment and compensation,

Where To Download

productive workers show results (making managers look bad by comparison), and the department's future budget allotment could be decreased because it spends only what it needs. Drawing from his years of experience tormenting Dilbert and advising his boss, our Machiavellian

Where To Download

mutt uses pithy essays, illustrated by scores of comic strips, to teach neophyte managers such potent practices as: The power of verbal instructions: Sound like a boss while maintaining complete deniability! Empty promises of promotion: all the motivational benefits,

Where To Download

none of the costs!

Pretending to care:

Learn how to hear
without listening!

Incentives: Inspire
employees by giving
them worthless
knickknacks! Once
again firmly
establishing Scott
Adams as the
spokesman for the
absurdities of the
workplace (and

Where To Download

Dogbert as the guru
of sticking it to the
masses), Dogbert's
Top Secret

Management
Handbook is the
perfect gift for all
cubicle dwellers and
their bosses.
