New York Times bestselling author, K. Bromberg, is back with a heartfelt, standalone romance and a new hero to steal your heart . . . The contract with Major League Soccer was supposed to help repair my damaged reputation. Then I discovered that I'd made a deal with the devil: the player I'm supposed to recruit is none other than the bad boy, star Premier League footballer, Rush McKenzie. British. Tattooed. Sexy. A man currently at the center of a huge scandal. The goal? To convince him to stay in the States. But what's wrong with a little fun in the meantime? No strings. No sweet nothings. Just a way to pass the time while we're both struggling to prove our true selves to the world. If someone found out our relationship was anything more than professional, it would only serve to prove all our critics right. \*\*\* I never should have agreed to take the fall. But I did and I'm a man of my word. Even if it means risking everything I've worked for. The only bright side is Lennox Kincaide. Gorgeous. Defiant. Rumor-tainted. Totally off-limits. Sharing a house with the gorgeous sports agent should have been a fun distraction from the turmoil. Someone to help pass the time while the tensions back home die down. New York Times bestselling author Susan Mallery's classic blend of lighthearted humor and intense emotional conflict works its magic on two newcomers to the California town of Fool's Gold, which Library Journal calls "a setting so real and appealing readers will want to start scoping out real estate." Destiny Mills believes passion has its place—like in the lyrics of the country songs that made her parents famous. After a childhood full of drama and heartache, she wants a life that's calm. Safe. Everything that Kipling Gilmore isn't. Her temporary assignment with the Fool's Gold search and rescue team puts her in delicious proximity to the former world-class skier every day. Part of her aches to let go for once...the rest is terrified what'll happen if she does. Though an accident ended his career, Kipling still lives for thrills—and a hot fling with a gorgeous redhead like Destiny would be a welcome diversion. Yet beneath his new coworker's cool facade is a woman who needs more than he's ever given. With her, he's ready to take the risk. But love, like skiing, is all about trust—and before you soar, you have to be willing to fall. Look for Best of My Love, the next title in Susan Mallery's Fool's Gold series.
