Tswana for beginners is a functional grammar explaining the meaning, structure and use of the various word categories. Well-formulated objectives and self-assessment questions enable students to study independently. Tswana for beginners was compiled to serve as a progression from Practical Tswana vocabulary and phrases (published by Via Afrika) and is integrated with the data contained in the trilingual dictionary Dikiinare ya Setswana-English-Afrikaans Dictionary/Woordeboek (Via Afrika). This grammar for beginners can therefore serve as an introduction to a more comprehensive knowledge of the Tswana language and culture.

Accelerate sales and improve customer experience Every day, most working professionals entrust their most important messages to a form of communication that doesn't build trust, provide differentiation, or communicate clearly enough. It's easy to point to the sheer volume of emails, text messages, voicemails, and even social messaging as the problem that reduces our reply rates and diminishes our effectiveness. But the faceless nature of that communication is also to blame. Rehumanize Your Business explains how to dramatically improve relationships and results with

your customers, prospects, employees, and recruits by adding personal videos to emails, text messages, and social messages. It explains the what, why, and how behind this new movement toward simple, authentic videos—and when to replace some of your plain, typed-out communication with webcam and smartphone recordings.

- Restore face-to-face communication for clarity and connection □
- Add a personal, human touch to your emails and other messages □
- Meet people who’ve sent thousands of videos □
- Learn to implement your own video habit in an easy, time-saving way □
- Boost your replies, appointments, conversion, referrals, and results dramatically

If you’re ready to influence, teach, sell, or serve in a more personal way, *Rehumanize Your Business* is your guide.
