Lord of the Flies meets War of the Worlds in J. Barton Mitchell's alien-invaded post-apocalyptic world where two teens and a young girl with amazing powers must stop the aliens' mysterious plan Earth has been conquered by an alien race known as the Assembly. The human adult population is gone, having succumbed to the Tone---a powerful, telepathic super-signal broadcast across the planet that reduces them to a state of complete subservience. But the Tone has one critical flaw. It only affects the population once they reach their early twenties, which means that there is one group left to resist: Children. Holt Hawkins is a bounty hunter, and his current target is Mira Toombs, an infamous treasure seeker with a price on her head. It's not long before Holt bags his prey, but their instant connection isn't something he bargained for. Neither is the Assembly ship that crash-lands near them shortly after. Venturing inside, Holt finds a young girl who remembers nothing except her name: Zoey. As the three make their way to the cavernous metropolis of Midnight City, they encounter young freedom fighters, mutants, otherworldly artifacts, pirates, feuding alien armies, and the amazing powers that

The Best Leaders Aren't People Instead, innovative and emerging research shows that a compelling and other-centered authentic purpose--The Invisible Leader--may be the most powerful influencer of our behaviors, attitudes, and motivation in organizations, work, school, and life. Yet despite the increasing evidence of purpose's power, many of the organizations, systems, and institutions which dominate human life aren't built to elicit and leverage the fundamental human search for purpose and meaning. In this must-read book for anyone who considers themselves a leader, international speaker, trainer, and organizational performance scholar Zach Mercurio shows business leaders, educators, students, athletes, and parents how to AWAKEN, CLARIFY, and DELIVER their reason for existence--their authentic purpose. Personal, researched, and even mind-shifting, the tools in the The Invisible Leader will help you lead with authentic purpose and build a life and organization that matters. "Zach Mercurio has written a compelling book filled with powerful stories, cutting-edge research, and practical tools that shows us how to lead with purpose..." - Arianna Huffington, Founder and CEO at Thrive Global, #1 New York Times Bestselling Author of Thrive and The Sleep Revolution. "If

Thinking About America? India sends more of its students, employees, spouses, and brains abroad than most other countries in the world. Many of them go to America; and when they arrive, they are in for the culture shock of their lives. From having to immediately modify their name (Annapoorna becomes Anna) to knowing how to field curious Americans' questions

("Do you speak Indian?"), it can be an overwhelming transition. In *Ketchup & Curry: Your Guide to Life and Success in America*, Vivek Sreedhar helps bridge the gap between Indian and American culture in a humorous and informative manner through the eye popping adventures of Subramaniam Venkataraman Parthasarathy (Subbu) in America. Starting his American life being called a FOB (fresh off the boat), and having his name butchered, Subbu is thrown into the dollar-to-rupee conversion and Bollywood to Hollywood drama. From then on begins the long and emotional journey of Subbu's transformation as he goes from Slumdog to Swag and learns the ABCDs of being an IBCD (Indian Born Confused Desi). He even starts dating for real (not shaadi.com). When Subbu returns to India, the culture shock comes back to haunt him, keeping his heart torn between his American girlfriend, Angela, and his childhood friend Sulokshana. He struggles to find where his heart really lies: within the bustling streets of Detroit or the humid, homely galis of southern India. What does he do...choose Angela or Sulokshana...America or India? "A hilarious guide to life and success in America. Must read for anyone aspiring to go abroad!" - Vikram Krishnan, Partner at Oliver Wyman "Finally! A book that screams the story of every Indian who came to America to live the American Dream!" - Vijayata Sanghvi, Statistical Analyst at PRA International "Very informative and funny, this book is a great read for Indians moving to the States." - Dr. Anupama Shekar, Ph.D., University of Wisconsin-Madison "This book should appeal to both first time travelers looking for perspectives on life in America as well as fully integrated immigrants who will look back at their life and smile at how far they have come." - Shavin Shahnawaz, Manager at Deloitte Consulting.
