John Deere Service Repair Manual

Its a john deere . So have an operators manual and parts are easy . Doors are present but see below . Bad points . Rear tyres hold air but are cracked and not much tread . Batteries are fine in summer but a bit tired in winter . Front axle had new input bearing last year and a diff guard fabricated but front axle hubs has a few weepy seals .

John deere 1640 tractor Loader | eBay

John Deere hpx gator. Cracking little machine with a few issues. Plastic body work all good, plastic buck liner, good tyres all round with a new spare. Engine runs fine Brakes work but need bleeding (pedal travels to end) Handbrake doesn't work. None of the electrics work, seats worn and torn. Still used most days</p>

Two classic love stories in a keepsake edition that will heat up your winter! The Winter Soldier Everyone in Jacobsville, Texas, steered clear of taciturn Cy Parks-everyone but the spirited Lisa Monroe, who electrified the formidable loner with her tantalizing kisses. Their fiery passion escalated when the soldier returned from the line of duty-and claimed Lisa as his bride, to shield her from a revenge-seeking desperado. Clearly Cy was getting mighty possessive of this enchanting woman who needed the type of safeguarding only he could provide. But who would protect the beguiling bride from him...' Cattleman's Pride He was strong, seductive and set in his ways. She was shy, unassuming and achingly innocent. Yet when Jordan made it his personal crusade to help Libby hold on to her beloved homestead, everyone in Jacobsville knew it was just a matter of time before wedding bells chimed. But a cattleman's pride was a force to be reckoned with. Could Libby accomplish what no woman had before and tame this Long, Tall Texan's restless heart?
