Karnali Blues

Karnali Blues, by Buddhisagar, is the most widely read Nepali novel to have appeared in the last twenty years. As it recounts the evolution of a father-son relationship-a son's search for approval, a father's small acts of kindness and forgiveness, a son's fears for his father's dignity as his fortunes and faculties begin to fail-the reader is deeply drawn into young Brisha Bahadur's world. His father is kind and idealistic; his mother, though she is kind too, is often frustrated and irascible. The characters in this book are some of the most carefully drawn and authentic in all of Nepali literature. In a backwater district of a country about to undergo radical social, political and cultural change, Brisha's dreams, his games and his mischief, his loves, his hopes and his fears come alive. Translated from the Nepali by Michael Hutt, this highly original piece of work, with the simplicity of its language and its emotional range, holds the power to take your breath away. Its principal themes-the love between a son and his father, the joys and sorrows of childhood, the daily struggle for survival-are universal, and will resonate with readers the world over.

A journalist sits in a café waiting for his subject—an artist called Drishya about whom he wants to write a novel. But Drishya doesn't come. For that morning he has been visited by Maoists at his home and abducted by them... So begins Palpasa Café, the extraordinary novel by Nepali journalist Narayan Wagle, which has become a sensation in the country. Starting with the murders of the royal family, it tells the troubled story of contemporary Nepal through the eyes of a romantic artist who falls in love, wanders the war-struck countryside and dreams of creating a café named after his beloved which serves the best coffee in the country. She wants to start a new life. Alice is trying to return to her career in publishing after raising her only child. But the workplace is less than welcoming to a forty-something mom whose resume is covered with fifteen years of dust. If Alice were younger, she knows, she'd get hired in a New York minute. So, if age is just a number, why not become younger? Or at least fake it. With help from her artist friend Maggie, Alice transforms herself into a faux millennial and soon finds an assistant's job, a twenty-something bff, and a hot young boyfriend, Josh, who was in diapers when Alice was in high school. You're only as young as you feel. Alice is too thrilled with her new relationship and career to worry about the fallout from her lie. But when Maggie decides she wants a baby, Alice's daughter comes home early from studying abroad, and Alice finds herself falling in love with Josh, she realizes her masquerade has serious consequences, especially for her. Can Alice turn the magic into her real life? Or will the truth come out and break the spell?

Between Queens and the Cities is the riveting tale of a 19-year-old Nepali gay man and his long journey from Kathmandu to New York and back. Set against the backdrop of contemporary Nepal, the author reveals, with elan and ease, queer spaces where friendships are fostered outside the normalcy accorded to family and marriage. In the process, he introduces many fellow travellers of the LGBTIQ community. WWith rare courage and outrageous emotional honesty, the author lays bare the ceaseless conflict of the mind and heart in exploring sexuality. He also compels the reader to interrogate dominant notions regarding love and longing and in doing so, reveals dynamic relationships that are not confined to the realm of queer intimacy alone. This memoir on the shaping of queer identity in the South Asian context bristles with deeper questions regarding belonging. "By showing us how he negotiated a life for himself, Kunwar helps queer Nepalis reimagine their lives anew. He also shows all of us Nepali society as we have never seen it before: young, dynamic, open, and urbane. There is hope yet for social change." -Manjushree Thapa, Author of Forget Kathmandu"Brave and beautifully written. " --Samrat Upadhyay, Author of Arresting God in Kathmandu
