A humorous collection of dozens of photos of funny and adorable cats as they play with, roll in, and chow down their favorite snack of choice -- catnip. Cats love catnip. Whether it's eating it, playing with it, or rolling around in it, catnip turns our domestic feline friends into hilarious balls of activity. Carefree and unconstrained, they are free to be silly, exceptionally playful, and downright gnarly. Professional pet photographer and self-confessed crazy cat man Andrew Marttila (the photographer behind Shop Cats of New York) captures a range of the cats' silly and expressive personalities as they react to their catnip trip. Delightful, elegant Fluffy transforms into a hell-bent renegade. Shy, reserved Mittens becomes a free-loving acrobat. In the blink of an eye, a cat's expression transforms from bored to inquisitive to playful to curious to bizarre . . . to utterly unhinged. A fun and delightful look at our furry companions, this gift book is perfect for every cat lover.

Animal lovers will laugh out loud at the quirkiness of their feline friends with these insightful and curious poems from the singular minds of funny cats. In this hilarious, bestselling book of tongue-in-cheek poetry. The author of the internationally syndicated comic strip Sally Forth helps cats unlock their creative potential and explain their odd behavior to ignorant humans. With titles like "Who Is That on Your Lap?," "This Is My Chair," "Kneel Before Me," "Nudge," and "Some of My Best Friends Are Dogs," the poems collected in I Could Pee on This perfectly capture the inner workings of the cat psyche. With photos of the cat "authors" throughout, this whimsical animal book reveals kitties at their wackiest, and most exasperating (but always lovable). Ideal for that "crazy cat lady" or "cat mom/dad" in your life this collection of poems makes for the perfect cat-themed gift for anyone who's obsessed with our feline friends.

\*A New York Times Bestseller\* #1 National Bestseller Indie Bestseller From Kitten Lady, the professional kitten rescuer, humane educator, animal advocate, and owner of the popular Instagram @kittenxlady comes the definitive book on saving the most vulnerable—and adorable—feline population: newborn kittens. Hannah Shaw, better known as Kitten Lady, has dedicated her life to saving the tiniest felines, but one doesn't have to be a professional kitten rescuer to change—and save—lives. In Tiny but Mighty, Hannah not only outlines the dangers newborn kittens face and how she combats them, but how you can help every step of the way, from fighting feline overpopulation on the streets to fostering unweaned kittens, from combating illness to combating compassion fatigue, from finding a vet to finding the purrfect forever home. Filled with information on animal welfare, instructional guides, and personal rescue stories of kittens like Chloe, Tidbit, Hank, and Badger—not to mention hundreds of adorable kitten photos—Tiny but Mighty is the must-have kitten book for cat lovers, current-and-future rescuers, foster parents, activists, and advocates.

"It's official. That thing that classic art has been missing is a chubby reclining kitty." —The Huffington Post Internet meme meets classical art in Svetlana Petrova's brilliant Fat Cat Art. Featuring her twenty-two-pound, ginger-colored cat Zarathustra superimposed onto some of the greatest artworks of all time, Petrova's paintings are an Internet sensation. Now fans will have the ultimate full-color collection of her work, including several never-before-seen pieces, to savor for themselves or to give as a gift to fellow cat lovers. From competing with Venus's sexy reclining pose (and almost knocking her off her chaise lounge in the process) in Titian's Venus of Urbino, to exhibiting complete disdain as he skirts away from God's pointing finger in Michelangelo's Creation of Adam, Zarathustra single-handedly rewrites art history in the way that only an adorable fat cat can.

This is a fixed-format ebook, which preserves the design and layout of the original print book.

On other days they seem to make it their mission in life to shred our toilet paper, puke on our most prized possessions and potty in whatever house plant appears to be your favorite. Cat-astrophe features sassy memes of these fluffy pranksters, caught in the most hilarious, most shameful and all-to-well-known feline misdeeds, clearly enacted with little to no remorse. Cat lovers everywhere will identify with and giggle through the frustrations of the day as this hilarious book reminds us that unconditional love goes both ways.

Just when we all thought things couldn't get any cuter, from the author of the New York Times bestselling I Could Pee on This comes I Knead My Mommy, a book of confessional poems about the triumphs, trials, and daily discoveries of being a kitten. From climbing walls to claiming hearts, these little cats bare all in such instant classics as "And Then You Said 'No,'" "Ode to a Lizard I Didn't Know Is Also a Pet in This House," and "I Will Save You." With adorable photos of the poetic prodigies

throughout, this volume gives readers a glimpse into their confused and curious feline minds as they encounter the world around them.
