An exciting fantasy novel for 8 to 12 year olds involving enchantment, mystery and a garden gnome. To the boy called Red, it seems the most marvellous escape he could wish for: a gift that grants him more freedom than he ever believed possible - the chance to fly, to soar with the gulls, high over the tall brick walls that have imprisoned him for so long. But this gift comes with a terrible price - and puts him in grave danger. Is there anyone Red can trust to help him? The curious Captain Bass who has strange powers of his own? The wildly unpredictable twin sisters he is strongly drawn to? In this magical, mysterious story, Red's adventure is like a chamber of mirrors at a carnival - a dazzling and breathtaking tale. 'This is a rich fantasy - alive with original twists, surprises and mysteries which I dare not reveal. Children's Literature is about to be enriched with a new classic.' Margaret Mahy

Authors such as Hunter Thompson, Robert Pirsig, and Mark Singer have written about the motorcycle, that icon for outlaws, rebels, thieves, and beat poets. This collection of motorcycle tales features the best of the vast collection of motorcycle writing created since old Gottlieb Daimler first bolted a crude internal-combustion engine to his wooden two-wheeled Einspur in 1876. In addition to essays from Thompson and Pirsig, The Devil Can Ride features works by Peter Egan, T.E. Lawrence, James Stevenson, Jamie Elvidge, John Hall, and Kevin Cameron.

Application for Employment I refer to the recent death of the Technical Manager at your company and hereby apply for the replacement of the deceased manager. Each time I apply for a job, I get a reply that there is no vacancy but in this case I have caught you red-handed and you have no excuse because I even attended the funeral to be sure that he was truly dead and buried before applying. Attached to my letter is a copy of my CV and his death certificate. Crap CVs is a hilarious compilation of the worst job applications imaginable, including overly-honest cover letters, embarrassing typos, mortifying personal revelations, awkward interview questions, misplaced self-confidence, self-aggrandizing gibberish, blatant truth-twisting and, of course, outright lies.
