a job often don't work anymore. Finding rewarding work ... is work! You're Hired! Job Search Strategies That Work, puts you to work in learning how to use 'best practices' to land your 'dream' job. This easy-to-read book is a systematic program providing strategic tactics to maximize your job searching effectiveness. Did you know there is a psychology behind the process of job searching? You're Hired! Job Search Strategies That Work helps you understand the psychology of job-searching and sets you up for envisioning your success. Resumes... It is often said that "resumes are your ticket to job searching success." Resumes are still the not so secret weapon to landing a job. You won't win a lottery if you don't have a ticket and you are unlikely to be invited for a job interview if you don't have a dynamic,

effective resume that features you as the solution to a problem. Your resume is your ticket that leads to being invited for an interview where you can expand upon your value. An effective, eye-catching resume will get you an interview. We show you how to craft and fine-tune a magnetic resume that will attract an employer's attention. Are you networking? Many job search industry professionals say that networking is the single most effective strategy for landing your next job. You may think you don't know anyone who can help you with your job search. But you know more people than you think, and they are willing to help you. However, you need to reach out and connect with them first. "It's not who you know... it's who knows you know..." You're Hired! Job Search Strategies That Work helps you build upon your existing network of

contacts and take it to the next level, an opportunity-creating machine. References... Do you have your professional and personal references in place? Are they primed to be your personal cheerleaders? No? Well they should be. You're Hired! Job Search Strategies That Work provides you with proven tactics to leverage your references to help nail the job for you. Job Interviewing... While looking for a new job and going through hiring interviews can be exciting for some people, for many of us it can be a stressful experience. Is the thought of a job interview keeping you awake at night? You're Hired! Job Search Strategies That Work systematically builds your skills to excel at interview questions and help you sleep at night. From our experience, one of the biggest problems job seekers often face is they feel they are coming from an

inferior position and they don't have a lot of personal power. The belief being that the Employer has the superior position and has all the power. Sound familiar? Yes, they have the job and they have the power to give you the job ... or not. What you may not realize is many Hiring Managers are under similar pressures as you, the job seeker. They are accountable to their superiors should the person they hire not work out. They have the pressure of finding the right candidate for the vacancy they need to fill. You're Hired! Job Search Strategies That Work levels the playing field between you and the employer. Your task is to become the only choice. The right choice!

This book offers a lot of valuable information in a format that's

before the OPT clock starts. The book will teach you proven successful strategies on:

- * Stellar Hire-Worthy Profiles - Turbocharge your resume and LinkedIn profile so that JOBS CHASE YOU, instead of the other way around!
- * LinkedIn - A dedicated chapter on LinkedIn that teaches you some creative (and SECRET) ways to leverage the site and identify high-paying jobs with low competition.
- * Social Media & Niche Job Boards - A full list of job boards that have excellent jobs with little competition. Easier for you to land your dream job! than the popular job search sites. Methods to leverage Twitter, Girlboss and other communities.
- * Upwork - Learn proven techniques to help you bag contracts and start earning, as quickly as next week.
- * Behavioral interview questions with ANSWERS to help you prepare for different

interview modes. * Free learning resources and much more... Author is a practicing analytics manager who has worked in Fortune500 Firms like NASDAQ , BlackRock, etc. Unlike most job search books that are written by recruiters or professors, this book is written by a senior professional, who rose quickly from analyst to managerial roles. She has attended interviews of her own, and knows clearly the frustrations (and at times, hopelessness) of the job search process. The systems in this book have successfully helped dozens of job seekers and will work effectively for you too! Read on to launch your dream career! Note, this book is deliberately kept short and precise, so you can quickly read through and start applying these principles, instead of sifting through 500 pages of fluff. purpose and meaning in their careers.

Regular job searches SUCK! They don't have to if you know what to do. Put yourself in the driver's seat of your job search and get amazing job offers from companies you're dying to work with. After years of coaching students to C-Suite executives at Fortune 500's I developed a custom-tailored job search strategy designed to keep the job seeker engaged in their search and drive the offers they really want, really quickly. About this project: I've spent my career helping senior executives, talented professionals and new graduates find their dream jobs. Their job searches were slow, stalled or even DOA before we met; after just a few weeks of working together, they landed jobs they wanted. And they loved the

work we did together. I bottled up the best step-by-step advice from these one-on-one sessions into 120 action-packed pages, just for you. Take it and run. Who should read this book? If you want a new job right now, you need to read this book. If you want to be known in your industry, you need to read this book. If you want your dream employer to create a job for you, you need to read this book. What you'll learn: How to take back your search and get employers to chase YOU How to take HR/Corporate Recruiters out of the process and get offers directly from hiring managers How to create an undeniable value in the market that will generate offers for you and you alone For Job Seekers: You need a new job right now. I'll show you how to: Use proven strategies to beat out more qualified competition Reignite a dead search Move

into a new field Win every interview using a simple, two-step process For Rock Stars: You like where you are, but you have one eye on the next big thing and you want to build your profile. I'll show you how to: Make companies fight over you when they hear your story Stand out to recruiters and executives running "secret searches" Make your current employer beg to give you promotions for fear of losing you to the competition For Students: You're graduating, your loan payments are due and you don't know where to start. I'll show you how to: Beat out your competition, including more seasoned job seekers Get the \$\$\$'s you really deserve instead of taking a salary you can barely live off of Set yourself up for the best promotions and job offers for your entire career Why this book? terrible. Job searches are miserable. And I could spend every hour of every day of my life advising job seekers and I wouldn't scratch the surface of the need in this area. I want to reach as many people as possible with this message. I want to help job seekers take back control of their search.

Everyday people come to me that need my help to find great jobs but they simply can't afford my services. Even with the 10 hours a week that I set aside for pro bono work it doesn't scratch the surface of the demand for real help for job seekers that have been struggling for months and sometimes, years.
