Family fun takes center stage in three-time Newbery Honor winner Gary Paulsen's hilarious novel for middle-school boys. Kevin Spencer is the glue that holds his family together. When his wacky relatives decide to have a double wedding in the backyard, Kevin takes charge. Planning two weddings is a great way to impress his girlfriend, Tina Zabinski, the Most Beautiful and Best-Smelling Girl in the World. But as more and more relatives come to stay, things spiral out of control. Tying the knot has Kevin tied up in knots in this laugh-out-loud story. "When it comes to telling funny stories about boys, no one surpasses Paulsen."—Booklist "[Paulsen is] one of the best-loved writers alive."—The New York Times Praise for Family Ties "Kevin seems to truly have his heart in the right place as he tries to bring order to the disparate parts [of his family] and restore some missing familial affection."—Kirkus Reviews "The Spencers may not be a conventionally perfect family, but by the end of the novel it is clear that, despite their oddball antics, they are a loving one. This special anniversary edition includes a new introduction and commentary by author Gary Paulsen, pen-and-ink illustrations by Drew Willis, and a water resistant cover. *Hatchet* has also been nominated as one of America's best-loved novels by PBS's *The Great American Read*. Thirteen-year-old Brian Robeson, haunted by his secret knowledge of his mother's infidelity, is traveling by single-engine plane to visit his father for the first time since the divorce. When the plane crashes, killing the pilot, the sole survivor is Brian. He is alone in the Canadian wilderness with nothing but his clothing, a tattered windbreaker, and the hatchet his mother had given him as a present. At first consumed by despair and self-pity, Brian slowly learns survival skills—how to make a shelter for himself, how to hunt and fish and forage for food, how to make a fire—and even finds the courage to start over from scratch when a tornado ravages his campsite. When Brian is finally rescued after fifty-four days in the wild, he emerges from his ordeal with new patience and maturity, and a greater understanding of himself and his parents.

Mudshark is the go-to guy for any mysteries that need solving. Lost your shoe? Can't find your homework? Ask Mudshark. That is, until the Psychic Parrot takes up residence in the school library and threatens to overturn Mudshark's position as the guy who knows all the answers. The word in school is that the parrot can out-think Mudshark. And right now, the school needs someone who's good at solving problems. There's an escaped gerbil running rampant, an emergency in the faculty restroom, and all the erasers are disappearing from the classrooms. When Mudshark solves the mystery of who's stealing the erasers, he discovers the culprit has the best of intentions. Now he has to think of a way to prevent the Psychic Parrot from revealing the eraser-thief's identity. With a bit of misdirection and a lot of quick thinking, Mudshark restores order to the chaos . . . just for the moment.
