It's Lord of the Flies for the Heroes generation. All eyes are on Perdido Beach. The barrier wall is now as clear as glass and life in the FAYZ is visible for the entire outside world to see. Life inside the dome remains a constant battle and the Darkness, away from watchful eyes, grows and grows . . . The society that Sam and Astrid have struggled so hard to build is about to be shattered for good. It ' s the end of the FAYZ. Who will survive to see the light of day? A tour-de-force from global sensation, Michael Grant, Light is the final heartstopping installment in this bestselling series. “ I love these books ” – Stephen King

Welcome back to the FAYZ! This is Book 6 in the series that Stephen King calls a 'driving, torrential narrative'.

This collection contains all six books in New York Times bestselling author Michael Grant's breathtaking dystopian sci-fi Gone saga. These page-turning thrillers invoke the classic The Lord of the Flies along with the horror of Stephen King. King himself said: "I love these books." In the blink of an eye, everyone disappears. Gone. Except for the young. There are teens, but not one single adult. Just as suddenly, there are no phones, no internet, no television. No way to get help. And no way to figure out what's happened. Hunger threatens. Bullies rule. A sinister creature lurks. Animals are mutating. And the teens themselves are changing, developing new talents—unimaginable, dangerous, deadly powers—that grow stronger by the day. It's a terrifying new world. Sides are being chosen, a fight is shaping up. Townies against rich kids. Bullies against the weak. Powerful against powerless. And time is running out: on your birthday, you disappear just like everyone else. . . . Michael Grant's Gone series has been praised for its compelling storytelling, multidimensional characters, and multiple points of view. Included in this collection are: Gone, Hunger, Lies, Plague, Fear, and Light.

GONE. The Perdido Beach dome is down, but the horrors within have spread. The alien virus-infested rock that created the FAYZ is creating monsters—monsters that walk the cities and countryside, terrorizing all. There are tanks in the street and predator drones in the sky, doomed efforts to stop the disintegration of civilization. Into this chaos comes a villain with the power to control anyone with just the sound of his voice. Dillon Poe wanted to be a comedian once . . . but everyone made fun of him. Dillon the loser. Dillon the freak. Now he 's sending thousands to their death. Who 's laughing now? The only people who can stop a superpowered villain are superpowered heroes. Dekka, Shade, Cruz, Malik, Armo, and a new mutant with unmatched powers, are all that stand in Dillon 's way. But when the lines begin to blur between hero and villain—some begin to wonder who 's really the monster. Praise for Monster: “ Ratchets up the gore and action, and features a diverse cast of characters. An evocative, intricately plotted companion series. ” —ALA Booklist Read the entire series: [Gone Hunger Lies Plague Fear Light Monster Villain Hero](#)

The fifth book in the bestselling Gone series by Michael Grant continues the page-turning saga of Sam, Astrid, and Drake in their terrifying post-apocalyptic world. It's been one year since all the adults disappeared. Gone. Despite the hunger, despite the lies, even despite the plague, the kids of Perdido Beach are determined to survive. Creeping into the tenuous new world they've built, though, is the worst incarnation yet of the enemy known as the Darkness: fear. Within the FAYZ, life breaks down while the Darkness takes over—turning the dome-world of the FAYZ entirely black. A will to survive and a desire to take care of those they love endure in this ravaged band, even in the bleakest moments. But in darkness, the worst fears of all emerge, and the cruelest of intentions are carried out. After so many months, is all about to be lost in the FAYZ? “ Fans can count on more excellent storytelling, multidimensional characters who continue to develop in unexpected ways, and some mighty find eye-popping moments. ” —VOYA (starred review) Read the entire series: [Gone Hunger Lies Plague Fear Light Monster Villain Hero](#)

A deadly, flu-like epidemic and a plague of flesh-eating creatures threaten the lives of the children at Perdido Beach while Sam, Astrid, Caine, and Diana each struggle with doubts and uncertainties.

The mind-blowing conclusion to the Monster trilogy and the final installment in the Gone series from science fiction and fantasy master Michael Grant is perfect for superhero and Stephen King fans alike. After the fall of Perdido Beach dome, a new set of humans developed mutant powers from the rock infected with alien virus. They are the Rockborn Gang: Dekka, Shade, Cruz, Malik, Armo, and Francis. With their superpowers, they have defended the earth from other rockborn who used their powers for evil, like Dillon Poe. When another rock carrying the virus strikes New York, a new foe, Bob Markovic, rises with a horrifying and nearly unstoppable ability. Markovic 's unending ambition and lack of a moral compass made him unbearable before the virus. And that was before he was a swarm of plague-ridden insects, with the power and means to take over the city—and maybe the world. As the Rockborn Gang try to defeat their latest villain, they will find themselves on morally gray grounds and have to make tough decisions if they want to save the world. In this pulse-pounding finale to the saga more than ten years in the making, Michael Grant delivers an unforgettable conclusion while asking: What does it take to be a hero? Praise for Monster: “ Ratchets up the gore and action, and features a diverse cast of characters. An evocative, intricately plotted companion series. ” —ALA Booklist Read the entire series: [Gone Hunger Lies Plague Fear Light Monster Villain Hero](#)

The Darkness has found its way into the mind of its Nemesis at last and is controlling it through a haze of delirium and confusion. A highly contagious, fatal illness spreads at an alarming rate.
