A comprehensive self-study course.

This is a new release of the original 1946 edition.

For over 50 years, this book has been the major text book and reference for astrology teachers, professionals, and practicing and beginning astrologers. It covers all major facets of astrology, including horoscope construction and interpretation, the progressed chart,

transits, locality charts, astrological dictionary, and much more. Fully indexed and illustrated.

The easiest way to learn astrology is to start with yourself. Your astrological birth chart is a powerful tool for gaining a deeper understanding of your unique gifts, talents, challenges, and life's purpose. As you begin to decipher the wealth of information in your own birth chart, you'll experience astrology in a personally meaningful way-which makes it easier to understand and remember. Once you learn the basics of astrology, you'll be able to read the birth charts of yourself and others. This friendly guidebook is the most complete introduction to astrology available. Popular astrologer Kris Brandt Riske presents the essentials of astrology in a clear, step-by-step way, paying special attention to three areas of popular interest: relationships,

career, and money. She explains the meaning of the planets, zodiac signs, houses, and aspects, and how to interpret their significance in your chart. Over 30 illustrations, including the birth charts of several famous people—Al Gore, Oprah Winfrey, Brad Pitt, and Tiger Woods, to name just a few—add a helpful visual dimension to your learning experience. Practical and positive, Llewellyn's Complete Book of Astrology offers techniques for using astrology to identify the qualities you seek in an ideal mate, realize your career and financial potential, calculate your luck, and discover your inner strength.

The value and use of quartz crystals has lasted from ancient times. The earth has given us a gift of great importance in crystals. We are just now reawakening and relearning the power and energy of these remarkable stones. Now you can learn how to use these beautiful, natural gems for

balance, healing, psychic enhancement, and just plain fun.

A comprehensive name guide is written specifically for Witches, Pagans and anyone who wants factual and in-depth information on a wide variety of names. Features more than 7,000 names derived from assorted cultures and spiritual traditions, from ancient times to modern, including names from mythology, magical texts, nature and the Bible. Includes pronunciations, guidance in name selection, a glossary, an index by gender and lists of names by theme. Original.

Llewellyn's Complete Book of Correspondences is a clear, straightforward companion for Pagan and Wiccan ritual and spellwork. Entries are cross-referenced, indexed, and organized by categories and subcategories, making it easy to find what you need.

This comprehensive reference provides a fascinating look at why correspondences are more than just lists of objects to focus intent on—they are fundamental to how we think. When we use correspondences, we weave together our ideas, beliefs, and energy, creating deeper meaning in our rituals and spellwork as we unite our individuality with a larger purpose. The use of correspondences embodies both physical and symbolic energy and provides the means for uniting the seen and unseen worlds. Packed with content yet easy to use, Llewellyn's Complete Book of Correspondences covers traditional correspondences and also provides instruction for forging new ones that hold special meaning for you. Being able to forecast your future gives you a remarkable edge. Whether it's taking advantage of approaching opportunities or preparing for challenges that are heading your way, predictive astrology helps you maximize your innate potential—and make choices that will lead to a more satisfying life. The perfect companion to Llewellyn's Complete Book of Astrology, popular astrologer Kris Brandt Riske lends her signature easy-to-understand style to this definitive guide to predictive astrology. Step by step, she lays out clear instructions for performing each major predictive technique, including solar arcs, progressions, transits, lunar cycles, and planetary returns. She also provides a basic introduction to horary astrology, the method used to obtain answers to specific questions. Discover how to read all elements of a predictive chart and pinpoint when changes in your career, relationships, finances, and other important areas of life are on

and a new section on raising children with healthy chakras. *Wheels of Life* takes you on a powerful journey through progressively transcendent levels of consciousness. View this ancient metaphysical system through the light of new metaphors, ranging from quantum physics to child development. Learn how to explore and balance your own chakras using poetic meditations and simple yoga movements—along with gaining spiritual wisdom, you'll experience better health, more energy, enhanced creativity, and the ability to manifest your dreams. Praise: "*Wheels of Life* is the most significant and influential book on the chakras ever written."— John Friend, founder of Anusara Yoga
