This book deals with all lovebird species and their sub-species in depth.

Everything about housing, care, nutrition, breeding, and diseases with a special chapter: Understanding lovebirds.

Author Nikki Moustaki certainly cannot resist the splendid lovebird, and her valentine to this irresistible avian wonder is the subject of this Complete Care Made Easy pet guide. This colorful guide offers vital information to both new and experienced bird keepers about this hookbilled parrot, covering all aspects of selecting, caring for, and maintaining well-behaved happy pet birds. Bird specialist and trainer Moustaki has written an ideal introductory pet guide about lovebirds with chapters on the history and characteristics of lovebirds, selection of a healthy, typical pet bird, housing and care, feeding, training, and health care. The chapter "A Look at Lovebird Species" gives readers a glimpse into all nine species. Although nine species exist--ranging from red faced to black collared lovebirds ;only the peach-faced, black-masked, and Fischer's are widely available to pet owners. The selection chapter offers potential owners excellent advice about the three main species of lovebirds and how to select the best one from those available commercially. In the chapter on housing and care, the author discusses selection of the right cage, placement of the cage, and all the necessary accessories. A bird's diet is critical to its ongoing health, and the chapter devoted to feeding gives the reader all the info he or she needs about choosing a proper diet for the lovebird . The final two chapters of the book will be useful for bird fanciers interested in learning more about the breeding and the basic color variations and genetics of this beautiful small parrot. The book concludes with an appendix of bird societies, a glossary of terms, and a complete index.

Margie Fitzgerald's tenderness for helpless creatures leads her to join an animal rights organization called Operation H.E.A.R.T., but soon her reckless actions force her to flee California for a Crow Indian Reservation in Montana.

This is our seventh set of Happy, Healthy Pet titles. Like the others, they are books pet owners can turn to for the essential information they need to raise a healthy, happy pet. All books contain information on: feeding grooming housing health care what to expect from the pet basic training As our series expands and focuses on different kinds of pets, the emphasis remains on making the pet a companion. Owners of more unusual pets will particularly appreciate the expert advice in these books because professional care for exotic animals can be hard to come by. As always, the instruction on the books is from experts—people who know their pets intimately but always remember what it was like to have one the first time. Happy, Healthy Pet guides are rich with professional quality color photos and are designed to be enjoyable and easy to learn from.

Facts, advice, and fascinating insights tell you everything you need to know about purchase, care and feeding, housing, safety, breeding, the lovebird's body language.

Lovebirds are found in a variety of vivid colors in their native tropical habitats. Though they are often kept as pairs, lovebirds also thrive when kept alone. Heavily illustrated with vivid color photos and instructive line art, Barron's Complete Pet Owner's Manuals show and inform pet owners regarding proper care of dogs, cats, birds, fish, reptiles, amphibians, small caged animals—virtually every creature that is kept as a pet. The books give advice on purchasing and otherwise acquiring a pet, feeding it nutritiously, keeping it in good health, and where applicable, grooming and training it. Each book in this large series is individually written by a specialist, and though the information is authoritative, the text is clear and straightforward, easy for every pet owner to understand.

Whether you are a first-time pet owner or you are looking after an existing menagerie, this book provides all the practical advice you will need for keeping your domestic pets happy and in full health. An essential reference guide for all the family, this comprehensive volume allows families to choose pets confidently to suit their lifestyle, time constraints and living conditions, and to offer them the most comfortable and caring home. Gives detailed information about a wide range of small animals, from cats, dogs, rabbits, guinea pigs, hamsters, gerbils, chinchillas, rats and mice to birds, reptiles, invertebrates and fish. Illustrated throughout with 1200 sumptuous colour photographs, this expertly written manual provides all the information you need to buy and care for your pet with complete confidence.
