The 240Z was a landmark in automotive history. By the time the first generation Z-cars came to an end in 1978, everyone around the world knew the name Datsun. Here is the full story of the ZX series from the 280ZX – introduced as the second generation Z-car in 1978 – through to the 300ZX of 1999. The 240Z and 260Z were pure sports cars, but the 280ZX represented the evolution of the Z-car into a Grand Tourer. This evolution continued through two generations of 300ZX and the Z became a true supercar with state-of-the-art engineering features. This book contains a great deal of new information for enthusiasts in the West, as Japanese models have been covered in detail for the first time. Photographs and other illustrations have been sourced almost exclusively from the factory and therefore illustrate the cars in original detail. Datsun Z, also by Brian Long and Veloce, is a complementary book.

Hendon, tells the story of his son ' s life in the first part of this biography. He presents the disease ' s harsh truths and the severe limits—and of medicine ' s ability to respond to the disease ' s challenges. With equal clarity, though, he reveals the energy and determination his son showed in the face of his diagnosis. In the second part of *It ' s Been a Good Life, Dad!*, Kevin ' s poetry takes center stage. He shares his feelings of isolation and frustration. He ruminates on love, lust, and romance. He expresses his observations about friends and school. He reflects on the place of religion and family in his life. The final two sections of the book sample the recollections of people who knew Kevin and share the abiding influences of Kevin ' s spirit in the wider community of those his life has touched. Whether you have cystic fibrosis or know someone who lives with this disease, you might find yourself turning the pages of this

portrayal and feeling the temptation to echo the author ' s despair when he said, “ What a miserable life! ” But in the face of this disease and in response to such tugs to give in to despair, Kevin ' s responds, “ Oh, no. It ' s been a good life It ' s been a good life. ”
