This... When Iris Juarez, an undocumented ...

“A humdinger” —USA Today “Ratcheting suspense, dynamic characters, and a master’s touch” —David Baldacci, New York Times bestselling author of The Sixth Man With the spellbinding crime fiction masterwork, Mistaken Identity, Lisa Scottoline rocketed onto the New York Times bestseller list—and she’s remained there ever since! A stunning tale of mystery and suspense, this classic from the beloved, Edgar® Award-winning author once again leads readers down the gritty streets of Philadelphia and into the offices of the law firm of Rosato & Associates. When a new client who’s been accused of murder—and who bears an astonishing resemblance to Bennie Rosato—asks the crusading criminal defense attorney to take her case, Bennie finds herself entangled in a sticky web of murder, corruption, and violence that threatens to reveal the shocking truth about her own past. If you haven’t read Lisa Scottoline before, Mistaken Identity will prove to you what her many fans already know: nobody does it better!

Bennie Rosato is a maverick lawyer, and business at her law firm has never been better. Then, without warning, a savage murder tears the firm apart. All evidence points to Bennie, who has motive aplenty and an unconfirmable alibi. Her world turns upside-down as the lawyer becomes the client, and the law is now after her. When another killing takes place, Bennie runs for her life, a fugitive armed only with her wits and courage. She is determined to find the real killer -- or die trying.

Mary DiNunzio is trying to make partner in her cutthroat Philadelphia law firm. She's too busy to worry about the crank phone calls that she's been getting—until they fall into a sinister pattern. Mary can't shake the sensation that someone is watching her. Following her every move. Then the shadowboxing turns deadly, and she has to fight for something a lot more important than a partnership—her life.

Anne Murphy is the redheaded rookie at the Philadelphia law firm of Rosato & Associates, and one morning she wakes up to front-page headlines proclaiming lawyer murdered -- above her own picture. If she wants to stay alive, she's got to play dead. She'll have to trust people she barely knows -- colleagues who hate her, homicide cops who want her out of the crime-fighting business, and a new love who inconveniently happens to be opposing counsel. But her knack for courting trouble makes it almost impossible for Anne to play well with others, and an unexpected event places her in lethal jeopardy and leaves her with everything to lose.

Crack trial lawyer Bennie Rosato is called to the local prison to consult with Alice Connolly, a woman accused of committing cold-blooded murder and who wants Bennie to represent her at the trial. Bennie has no intention of taking the case, until she comes face to face with Connolly: the incarcerated woman is a dead ringer for Bennie - and claims to be her long-lost twin sister. Disbelieving but somehow convinced, Bennie takes on the case against her better judgement, and starts sniffing out the corruption and dangerous cover-up that lies at its centre.

When a 13-year-old genius and member of the most powerful family in the country believes that the man imprisoned for killing her sister six years earlier is innocent, the all-female law firm of Rosato & Associates agree to reopen the case and find out if justice was really served all those years ago. 400,000 first printing.

From the blockbuster New York Times bestselling author of Look Again comes a novel that makes you question the nature of evil: is it born in us or is it bred? Bennie Rosato looks exactly like her identical twin, Alice Connolly, but the darkness in Alice's soul makes them two very different women. Or at least that's what Bennie believes, until she finds herself buried alive at the hands of her twin. Meanwhile, Alice takes over Bennie's life, impersonating her at work and even seducing her boyfriend in order to escape the deadly mess she has made of her own life. But Alice underestimates Bennie and the evil she has unleashed in her twin's psyche, as well as Bennie's determination to stay alive long enough to exact revenge. Bennie must face the twisted truth that she is more like her sister Alice than she could have ever imagined, and by the novel's shocking conclusion, Bennie finds herself engaged in a war she cannot win—with herself.

They say that blood is thicker than water - but just how far should you go for a sister? When ace lawyer Bennie Rosato's twin sister returns to Philadelphia, she knows that trouble is on the horizon. At the same time, Bennie's law firm is in trouble, so she takes on a potentially lucrative calss action suit to try to save the day. It could be make or break - both for her family and her firm. Then a mysterious stranger appears just in time to help Bennie in the fight of her life, for her life... Full of pace, suspense and laugh-out-loud humour, bestselling New York Times author Lisa Scottoline is back, with one of her strongest books ever.

Describes the devastating accident and case of mistaken identity that left one family grieving for the young woman they thought was their daughter while the wrong family cared for the lone survivor, and describes the healing journey of survivor Whitney Cerak.

The third electrifying book in #1 bestselling author Lisa Scottoline's Rosato & Associates series has criminal lawyer Marta Richter in a race to prove one man's innocence. "Lisa Scottoline writes riveting thrillers that keep me up all night, with plots that twist and turn."--Harian Coben Criminal lawyer Marta Richter is hours away from winning an acquittal for her client, millionaire businessman Elliot Steere. Elliot is on trial for the murder of a homeless man who had tried to carjack him. But as the jury begins deliberations, Marta discovers the chilling truth about her client's innocence. Taking justice into her own hands, she sets out to prove the truth, with the help of two young associates. In an excruciating game of beat-the-clock with both the jury and the worst blizzard to hit Philadelphia in decades, Marta will learn that the search for justice isn't only rough—it can also be deadly.
