My Husband Betty is the first book to explore the relationships of crossdressing men and their female partners. Known traditionally as transvestites, men like Helen Boyd's husband are starting to come out and win the respect of friends, family, and society - even if their behavior still baffles mental health professionals and the crossdressers themselves. Boyd explains the "taxonomy" of the transgendered, the distinct societies within the transgendered community, the effects of the closet, sexuality, and the issues faced by the wives and girlfriends of crossdressing men. Helen's own experience is at the heart of this book, her story complemented and contradicted by interviews with crossdressers, drag queens, "tranny chasers," and other transgendered couples.

Helen Boyd's husband, who had long been open about being a cross-dresser, was considering living as a woman full time. Suddenly, Boyd was confronted with the reality of what it would mean if her husband were actually to become a woman Ñ socially, legally, and medically. Would Boyd love and desire her partner the same way? Boyd's first book, My Husband Betty, explored the relationships of cross-dressing men and their partners. Now, She's Not the Man I Married is both a sequel and a more expansive examination of gender in relationships. It's for

File Type PDF My Husband Betty Love And Life With A Crossdresser

couples who are homosexual or heterosexual, and for readers who fall anywhere along the gender continuum. As Boyd struggles to understand the nature of marriage, passion, and love, she shares her confusion and anger, providing a fascinating observation of the ways in which relationships are gendered, and how we cope, or don't, with the emotional and sexual pressures that gender roles can bring to our marriages and relationships.

Candid, first-hand accounts of couples who stay together despite highly emotional gender issues. *Head Over Heels* gives voice to thirty ordinary women who live extraordinary lives as partners to crossdressers, transgenderists, and male-to-female transsexuals. These unique women discuss, with honesty and great candor, how they first learned of their partners' gender issues, how they've coped with the emotions that followed, how they've dealt with concerns about privacy/secretcy, and how they've handled disclosure to children, friends, and family members. Far from a collection of "happily ever after" stories, these narratives are filled with pain, courage, curiosity, and joy as each woman struggles to redefine a relationship that includes intimacy, social acceptance, dignity, and respect. The women whose stories are featured in *Head Over Heels* didn't know their partners were gender-variant when they first met. Some found out early on; others learned of their husbands' gender variance after decades of marriage. Some were told by their husbands—men they considered "regular guys;" others found out on their own, sometimes in shocking ways. Their stories represent a wide spectrum of women's life experiences with crossdressers, transgenderists, transsexuals who are nonoperative, pre-operative, and post-operative, families without children, families with children at home, and families with children who have left home. But these women share one thing in

File Type PDF My Husband Betty Love And Life With A Crossdresser

common: each has decided to stay in her relationship, exploring her new life with an open, yet cautious, heart. Some of the voices heard in *Head Over Heels*: “While putting my clothes on, I found a sales receipt on the bureau from K-Mart for shoes, a bra, and stockings. My immediate thought was that my husband had a girlfriend.” “He dressed for me one night and it was the worst experience of both our lives. I was shocked and he knew it and that hurt him.” “My siblings had been aware of Trish’s transsexualism for several years when she went full-time. They have told me that while I will always be welcome in their homes, Trish is not.” “My husband may think differently, but I do have a sexual identity. Actually, I’m real clear about it—I am a woman and he is a man. I do not allow him to crossdress in the bedroom. I married a man; therefore, I will sleep with a man.” *Head Over Heels* also includes historical and current information about resources and support for wives of gender-variant people, and a substantive introduction that includes basic information about sexual and gender identity and related issues.

Outlines ways in which couples can effectively renegotiate their marriage contracts, providing case examples of partners who improved their relationships and identifying the stressors that contribute to marital imbalances. Reprint.

“A stellar debut . . . about an unconventional family, fear, hatred, violence, chasing love, losing it and finding it again just when we need it most.”—The New York Times Book Review WINNER OF THE COSTA BOOK AWARD • “A wonder . . . [This book] teems with real, Trinidadian life.”—Claire Adam, award-winning author of *Golden Child* SEMI-FINALIST FOR THE OCM

BOCAS PRIZE • One of the Best Books of the Summer: Time • The Guardian • Goop • Women's Day • LitHub After Betty Ramdin's husband dies, she invites a colleague, Mr. Chetan, to move in with her and her son, Solo. Over time, the three become a family, loving each other deeply and depending upon one another. Then, one fateful night, Solo overhears Betty confiding in Mr. Chetan and learns a secret that plunges him into torment. Solo flees Trinidad for New York to carve out a lonely existence as an undocumented immigrant, and Mr. Chetan remains the singular thread holding mother and son together. But soon, Mr. Chetan's own burdensome secret is revealed, with heartbreaking consequences. Love After Love interrogates love and family in all its myriad meanings and forms, asking how we might exchange an illusory love for one that is truly fulfilling. In vibrant, addictive Trinidadian prose, Love After Love questions who and how we love, the obligations of family, and the consequences of choices made in desperation. Praise for Love After Love "Love After Love is gift after gift. An unforgettable symphony of love and loss, heartache and guilt, and the secrets and lies that pull us together, and tear us apart. Dazzlingly told in the most electrifying prose you will read all year."—Marlon James, Booker Prize-winning author of Black Leopard, Red Wolf "This book teems with real, Trinidadian life: neighbors so nosy they know your business before it happens; descriptions of food that'll have you googling recipes; feting and liming and plenty of sex. There's darkness here, too—violence, loneliness, moments of despair—and how Ingrid Persaud weaves all these elements together in one book, with so much warmth and humor and love for her characters, is a wonder."—Claire Adam, award-winning author of Golden Child

Released for the first time in paperback, this landmark social and political volume on feminism is credited with being responsible for raising awareness, liberating both sexes, and triggering major advances in the feminist movement. Reprint.

A lightning-strike dispatch of hilarious, intimate, luminous essays from the brain of Emmy Award-nominated actress and writer Betty Gilpin. "You must put down whatever is not thrilling you and immediately pick up this wildly original, laugh-out-loud, freakishly-incisive debut."—Lisa Taddeo, #1 New York Times bestselling author of *Three Women* and *Animal* "Betty Gilpin writes like an avenging angel, weaving a tapestry of light and darkness, hilarity, and pathos. This is a firecracker of a book, and with it, Gilpin has taken up residence with the rest of the women in my brain."—Dani Shapiro, New York Times bestselling author of *Inheritance* Oh. Hi. *takes six long gulps of water during which you're like, may I help you?* My name is Betty. I have depression. I have passion. I have tits the size of printers. And also: I have a brain full of women. There's Blanche VonFuckery, Ingrid St. Rash, and a host of others—some cowering in sweatpants, some howling plans for revolution, and one, oh God, and one . . . slowly vomiting up a crow? Worried for her. These women take turns at the wheel. That's why I feel like a million selves. With a raised eyebrow and a soul-scalpel, I'd like to tell you how I got this way. Because maybe you feel this way too. Let's hop from wild dissections of modern womanhood to boarding school musings to the glossy cringe of Hollywood. Let's laugh at my failures and then quietly hope with me for the dream. Whether that dream is love or liberation or enough IMDB credits to taze the demon snapping at my ankles, we won't know until the shit-fanning end. As a dear friend said after reading this book, it's "either a masterpiece, or

File Type PDF My Husband Betty Love And Life With A Crossdresser

it's...completely..." and then she glazed over into a haunted stare. Reader? This book is my opus and it is chaos. If you've ever felt like you were more, or at least weirder, than the world expected—welcome to *All the Women in My Brain*.

A powerful true-life story of love and devotion describes the reunion, more than thirty years after World War II, of two wartime lovers, as the author, having survived a Nazi concentration camp and now married to another man, rediscovers her lost love. Reprint.

A LITTLE LOVE AND UNDERSTANDING Rachel led a life that many people would envy—she had an interesting and challenging job and an attractive boyfriend who showered her with attention. Admittedly, there were times when job and boyfriend clashed. Melville came from the glamorous world of television and sometimes found it hard to accept Rachel's devotion to the busy London hospital where she worked. Thank goodness for the one man around who did seem to understand—eminent surgeon Radmer van Teule!
