We cannot be happy without satisfying our fundamental desire to love. Discover all the intricacies of spiritual love, bhakti, in this devotional classic. This is a summary study of Bhakti-rasamrita-sindhu, the Vaishnava classic written by Rupa Goswami that analyzes the various stages of bhakti (devotion) as a methodical practice resulting in love of God. Rupa Goswami uses a metaphor comparing an ocean (sindhu) to a devotional relationship with God. The title of the book conveys that loving relationships are enjoyable like sweet nectar and deep like an ocean. However, devotion is truly only meant for the supreme beloved, Krishna. Srila Prabhupada has written this summary study to show the essential understanding of the practices and ideals of Krishna consciousness, and to introduce the Western world to the beauty of devotional concepts. The spiritually thirsty can develop their relationship with Krishna by drinking from the unlimited reservoir of The Nectar of Devotion. Drink deeply.

This collection of articles by Srila Prabhupada from Back to Godhead magazine covers knowledge of the soul and the practice of bhakti-yoga. These interviews, lectures, and essays cover topics such as the goal of human life, seeking a true spiritual teacher, reincarnation, super-consciousness, Krishna and Christ, and spiritual solutions to today's social and economic problems.

Across five centuries and half the globe comes this compact guidebook of essential spiritual teachings. How to choose a guru, how to practice yoga, even where to live. Originally written in Sanskrit by Srila Rupa Goswami, the spiritual leader of medieval India. Now translated and explained by Srila Prabhupada.

Eleven Lessons in the Ancient Science of Bhakti-yoga Across five centuries and half the globe comes this compact guidebook of essential spiritual teachings. How to choose a guru, how to practice yoga, even where to live — you'll find it all in this invaluable work originally written in Sanskrit by Srila Rupa Goswami, the greatest spiritual genius of medieval India. Now translated and illuminated by Rupa Goswami's modern successor, His Divine Grace A. C. Bhaktivedanta Swami Prabhupada, the Nectar of Instruction is the key to enlightenment for all seekers on the path of spiritual perfection.

What we call love in the material world is all too temporary, but in the kingdom of God the profound loving exchanges Lord Krishna enjoys with His dearest devotees are eternal. Bhakti-yoga teaches us how to enter into that realm of eternal love.

The Bhagavad-gita is the main source-book on yoga and a concise summary of India's Vedic wisdom. Yet remarkably, the setting for this classic of spiritual literature is an ancient Indian battlefield. At the last moment, the great warrior Arjuna begins to wonder about the real meaning of his life. In the Bhagavadgita, Lord Krsna brings His disciple from perplexity to spiritual enlightenment. Bhagavad-gita As It Is is

the largest-selling, most widely used edition of the Gita in the world.

Treatise with English translation on Sanskrit poetics.

How do religious groups reinvent themselves in order to attract new audiences? How do they rebrand their messages and recast their rituals in order to make their followers more diverse? In *Branding Bhakti*, Nicole Karapanagiotis considers the new branding of the Hare Krishna Movement, or the International Society for Krishna Consciousness (ISKCON). Known primarily for their orange robes, shaved heads, ecstatic dancing on the streets, and exuberant Hindu-style temple worship, many contemporary ISKCON groups are radically reinventing their public presentation and their style of worship in order to attract a global audience to their movement. Karapanagiotis explores their innovative and complex approaches in both the United States and India by following three new ISKCON brands aimed at gathering new followers. Each is led by a world-renowned ISKCON guru and his global disciples, and each is promoted through a mix of digital and social media and the construction of an innovative "worship-scape." These new spaces trade ISKCON's traditional temples for corporate work-life balance programs, posh yoga studios, urban spiritual lounges, edgy mantra clubs/lofts, and rural meditative retreat facilities. *Branding Bhakti* not only investigates the methods the ISKCON movement uses to position itself for growth but also highlights devotees' painful and complicated struggles as they work to transform their shrinking, sectarian movement into one with global religious appeal.

Wire and bead jewelry is one of the hottest subjects in jewelry-making today, and this book comes from two of the best-known teachers in the field, Janice Berkebile and Tracy Stanley.
