Ordinary Life: Stories: Amazon.co.uk: Berg, Elizabeth ...

Ordinary Life is a collection of short stories by one of my favorite contemporary authors, Elizabeth Berg. The first story alone, "Ordinary Life; a Love Story" is worth the price of admission. It captures the small moments that really make our lives, as Mavis locks herself in the bathroom for a week and takes out her memories to thumb over.

NATIONAL BESTSELLER • “An extraordinary short story collection that deserves our closest attention.”—Detroit Free Press “Elizabeth Berg’s gift as a storyteller lies most powerfully in her ability to find the extraordinary in the ordinary, the remarkable in the everyday.”—The Boston Globe In this superb collection of short stories, Elizabeth Berg takes us into pivotal moments in the lives of women, when memories and events come together to create a sense of coherence, understanding, and change. In “Ordinary Life,” Mavis McPherson locks herself in the bathroom for a week, shutting out her husband and the realities of their life together—and no, she isn’t contemplating a divorce. She just needs some time to think, take stock of her life, and to arrive, finally, at a surprising conclusion. In “White Dwarf” and “Martin’s Letter to Nan,” the secrets of a marriage are revealed with sensitivity and “brilliant insights about the human condition” (Detroit Free Press) that have become trademark of Berg’s writing. The Charlotte Observer has said, “Berg captures the way women think as well as any writer.” Those qualities of wisdom and perception are everywhere present in Ordinary Life.

Resigned to her life alone, unmarried fifty-one-year-old Myra Lipinsky immerses herself in her career as a visiting nurse, in which role she is reunited with Chip Reardon, who has returned to his hometown to live while he deals with an incurable illness.

From the Man Booker Prize longlisted author of My Name is Lucy Barton ? Isabelle Goodrow has been living in self-imposed exile with her daughter Amy for fifteen years. Shamed by her past and her affair with Amy’s father, she has submerged herself in the routine of her dead-end job and her unrequited love for her boss. But when Amy, frustrated by her quiet and unemotional mother, embarks on an illicit affair with her maths teacher, the disgrace intensifies the shame Isabelle feels about her own past. Throughout one long, sweltering summer, as the events of the small town ebb and flow around them, Amy and Isabelle exist in silent conflict until a final act leads ultimately to the understanding they both crave.

When her husband slips into a coma after a serious accident, Lainey tries to maintain a normal life and her faith that he will recover by seeking the support of two friends, Alice and Evie, who reinstalled within her a sense of hope.

NATIONAL BESTSELLER Now with an additional story. Every now and then, right in the middle of an ordinary day, a woman kicks up her heels and commits a small act of liberation. What would you do if you could shed the “shoulds” and do, say—and eat—whatever you really desired? Go AWOL from Weight Watchers and spend an entire day eating every single thing you want? Start a dating service for people over fifty to reclaim the razzle-dazzle in your life—or your marriage? Seek comfort in the face of aging, look for love in the midst of loss, find friendship in the most surprising of places? In these beautiful, funny stories, Elizabeth Berg takes us into the heart of the lives of women who do all these things and more—confronting their true feelings, desires, and joys along the way.

Renowned in the blogosphere as The anchoress and as Catholic Portal editor of the popular Patheos.com, Elizabeth Scalia offers a powerful critique of the “gods” we worship today, reminding readers that life’s deepest desires can be satisfied only in Christ. Strange Gods, Scalia’s debut book, is packed full of the iconoclastic vim and vigor that has won her a large, faithful Internet following. She presents readers with a surprising look at the ways in

## Where To Download Ordinary Life Stories By Elizabeth Berg Senatornoland

which modern people still commit the sin of idolatry in their everyday lives. While literal golden calves no longer dot the landscape, Scalia describes how legitimate loves become obsessively twisted into idols. She unmasks idolatry in a number of everyday experiences—friendships that become needy or possessive, commitments political and religious that grow so intense they lead to hatred of others, to name a few—and points to the incarnation of Christ and authentic worship of him as a way out of idolatry and into peace, happiness, and love.

A baking class instructor, her haunted assistant, and a youth reeling from a family tragedy discover the power of community while navigating complicated choices and uncertain futures.

**NEW YORK TIMES BESTSELLER • OPRAH’S BOOK CLUB PICK • Pulitzer Prize winner Elizabeth Strout continues the life of her beloved Olive Kitteridge, a character who has captured the imaginations of millions.** “Strout managed to make me love this strange woman I’d never met, who I knew nothing about. What a terrific writer she is.”—Zadie Smith, *The Guardian* “Just as wonderful as the original . . . Olive, Again poignantly reminds us that empathy, a requirement for love, helps make life ‘not unhappy.’”—NPR **NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY PEOPLE AND ONE OF THE BEST BOOKS OF THE YEAR BY Time • Vogue • NPR • The Washington Post • Chicago Tribune • Vanity Fair • Entertainment Weekly • BuzzFeed • Esquire • Real Simple • Good Housekeeping • The New York Public Library • The Guardian • Evening Standard • Kirkus Reviews • Publishers Weekly • BookPage** Prickly, wry, resistant to change yet ruthlessly honest and deeply empathetic, Olive Kitteridge is “a compelling life force” (*San Francisco Chronicle*). The *New Yorker* has said that Elizabeth Strout “animates the ordinary with an astonishing force,” and she has never done so more clearly than in these pages, where the iconic Olive struggles to understand not only herself and her own life but the lives of those around her in the town of Crosby, Maine. Whether with a teenager coming to terms with the loss of her father, a young woman about to give birth during a hilariously inopportune moment, a nurse who confesses a secret high school crush, or a lawyer who struggles with an inheritance she does not want to accept, the unforgettable Olive will continue to startle us, to move us, and to inspire us—in Strout’s words—“to bear the burden of the mystery with as much grace as we can.” Praise for *Olive, Again* “Olive is a brilliant creation not only because of her eternal cantankerousness but because she’s as brutally candid with herself about her shortcomings as she is with others. Her honesty makes people strangely willing to confide in her, and the raw power of Ms. Strout’s writing comes from these unvarnished exchanges, in which characters reveal themselves in all of their sadness and badness and confusion. . . . The great, terrible mess of living is spilled out across the pages of this moving book. Ms. Strout may not have any answers for it, but she isn’t afraid of it either.”—*The Wall Street Journal*

After sending their men off to fight in the war, sisters Kitty and Louise Heaney join their flirtatious younger sister, Tish, in writing letters to servicemen overseas, in a study of life during World War II from the perspective of the young men on the battlefield and the women left behind on the home front. Reader's Guide included. Reprint. 100,000 first printing.

**NEW YORK TIMES BESTSELLER** In this superb new novel by the beloved author of *Open House*, *Home Safe*, and *The Last Time I Saw You*, four women venture into their pasts in order to shape their futures, fates, and fortunes. Cecilia Ross is a motivational speaker who encourages others to change their lives for the better. Why can’t she take her own advice? Still reeling from the death of her best friend, and freshly aware of the need to live more fully now, Cece realizes that she has to make a move—all the portentous signs seem to point in that direction. She downsizes her life, sells her suburban Minnesota home and lets go of many of her possessions. She moves into a beautiful old house in Saint Paul, complete with a garden, chef’s kitchen, and three housemates: Lise, the home’s owner and a divorced mother at odds with her twenty-year-old daughter; Joni, a top-notch sous chef at a first-rate restaurant with a grade A jerk of a boss; and Renie, the youngest and most mercurial of the group, who is trying to rectify a teenage mistake. These women embark on a journey together in an attempt to connect with parts of themselves long denied. For Cece, that means finding Dennis Halsinger. Despite being “the one who got away,” Dennis has never been far from Cece’s thoughts. In this beautifully written novel, leaving home brings revelations, reunions, and unexpected turns that affirm the inner truths of women’s lives. “Maybe Freud didn’t know the answer to what women want, but Elizabeth Berg certainly does,” said *USA Today*. Elizabeth Berg has crafted a novel rich in understanding of women’s longings, loves, and abiding friendships, which weave together into a tapestry of fortunes that connects us all. Look for special features inside. Join the Random House Reader’s Circle for author chats and more. Praise for *Tapestry of Fortunes* “A testament to the power of female friendships . . . Berg strips her writing down to what is essential and takes an unflinching look at lifelong regrets. The characters . . . will settle in your heart.”—*Booklist* (starred review) “Elizabeth Berg has carved out a place as one of America’s most beloved chroniclers of female friendship.”—*Chicago Tribune* “Luminous . . . As always, her writing is spare and lyrical, filled with . . . elegant description and profound insight.”—*Library Journal* “An incredibly uplifting and life-affirming story . . . Berg explores the themes of change and personal reinvention with exquisite phrasing, sharply-focused attention to detail, and boundless joy and heart.”—*Bookreporter* Praise for Elizabeth Berg “Truth rings forth clearly from every page. [Elizabeth] Berg captures the way women think—and especially the way they talk to other women—as well as any writer I can think of.”—*The Charlotte Observer*, about *Talk Before Sleep* “Elizabeth Berg’s gift as a storyteller lies most powerfully in her ability to find the extraordinary in the ordinary, the remarkable in the everyday.”—*The Boston Globe* “Berg’s writing is to literature what Chopin’s études are to music—measured, delicate, and impossible to walk away from until their completion. [Grade:] A+.”—*Entertainment Weekly*
