FINANCIAL

PLANNING Essentials
of Personal Financial

Planning was written to challenge the status quo by promoting personal financial planning (PFP) as a profession, not as a sales tool to gather assets under management or facilitate sales of insurance products. The book takes a

Get Free Personal

comprehensive and integrated approach to PFP for accounting students, allowing them to view the profession through the lens of a CPA – with integrity and objectivity. This book systematically introduces the essentials of all the major PFP topics (estate, retirement, investments, insurance, and tax), as

Get Free Personal

well as: The PFP
process, concepts and
regulatory environment.
Professional
responsibilities of a
CPA personal financial
planner and the
requirements of the
Statement on Standards
in PFP Services. Time
value of money
concepts. The book then
builds on these
foundational concepts,

Get Free Personal

Financial
Planning 13th
Edition Gitman

showing their
interconnectivity and
professional
opportunities, to provide
a deeper understanding
of PFP and its
application. After
reading this book,
students will be able to
apply the knowledge
and skills gained from
this course to have an
immediate and long-
term positive impact for
