Now she is terrified of the police.' By reading the truth of these innocent people being wrongfully accused you will see how inhuman the police can be, how they can torture a person savagely, how awful prison life is. I think it does need a change. At last, Gerry Conlon and the rest of the Guildford Four were proved innocent.

It describes the struggle to clear his name.

Proved Innocent: The Story of Gerry Conlon of the ...
In a word, it is fantastic. Normally, reading a persons autobiography (criminal or no) makes you sceptical about what is true and what is not. Compared to the film, "Proved Innocent" has a distinct ring of truth to all that is told. It outlines Gerard's family background and The Falls area of Ireland where he lived.

Proved Innocent: The Story of Gerry Conlon of the ...
It is based on the true story of the Guildford Four, four people falsely convicted of the 1974 Guildford pub bombings, which killed four off-duty British soldiers and a civilian. The screenplay was adapted by Terry George and Jim Sheridan from the 1990 autobiography Proved Innocent: The Story of Gerry Conlon of the Guildford Four by Gerry Conlon.

In the Name of the Father (film) - Wikipedia
A true story of a young Irish man convicted of an IRA bombing in England in the 1970's. The English government didn't know who to arrest, so they arrested anyone they could use as a scapegoat. It's a tragic story of a young man's youth taken away from him because of time spent in prison for something he didn't do.

One of four innocent people convicted of a terrorist bombing in Guildford, England, tells of the miscarriage of justice that resulted in imprisonment for himself and members of his family, including his father, and describes the struggle to clear his name

Conlon's story of 15 years in prison for a crime he did not commit.

What began that night shocked Duke University and Durham, North Carolina. And it continues to captivate the nation: the Duke lacrosse team members' alleged rape of an African-American stripper and the unraveling of the case against them. In this ever-deepening American tragedy, Stuart Taylor Jr. and KC Johnson argue, law enforcement, a campaigning prosecutor, biased journalists, and left-leaning academics repeatedly refused to pursue the truth while scapegoats were made of these young men, recklessly tarnishing their lives. The story harbors multiple dramas, including the actions of a DA running for office; the inappropriate charges that should have been apparent to academics at Duke many months ago; the local and national media, who were so slow to take account of the publicly available evidence; and the appalling reactions of law enforcement, academia, and many black leaders. Until Proven Innocent is the only book that covers all five aspects of the case (personal, legal, academic, political, and media) in a comprehensive fashion. Based on interviews with key members of the defense team, many of the unindicted lacrosse players, and Duke officials, it is also the only book to include interviews with all three of the defendants, their families, and their legal teams. Taylor and Johnson's coverage of the Duke case was the earliest, most honest, and most comprehensive in the country, and here they take the idiosies and dishonesty of right- and left-wingers alike head on, shedding new light on the dangers of rogue prosecutors and police and a cultural tendency toward media-fueled travesties of justice. The context of the Duke case has vast import and contains likable heroes, unfortunate victims, and memorable villains—and in its full telling, it is captivating nonfiction with broad political, racial, and cultural relevance to our times.

Recounts the incredible ordeal of 18-year-old Peter Reilly, coerced by Connecticut state police into confessing to the murder of his mother and exonerated three years later through the efforts of outraged friends and neighbors. Reprint.

The author was accused of molesting a child and spends 3 years in the court system to clear himself of those false charges.

A black man, a white woman, and twenty-five years. The unbelievable true story of Ronald Eubanks's life. A young boy from the streets of Dallas grows up to become a wrongly convicted sex offender. Do the decisions we make as we're younger delineate the outcome of our future? Perhaps, if he had gone to school and listened to his mother, he wouldn't have been in the position he was. Convicted guilty of rape, he was sentenced to over a decade in prison. Not to mention, walking around Dallas for ten years, classified as a registered sex offender. In America, we tend to make everything better: cars, houses, and so much more. Ironically, our justice system remains similar to a third world country. Could this chain of events be caused by his negligence, a crooked justice system, or pure racism?

A man murdered...A man framed for the murder with only a short time to prove his innocence before the killer strikes again and strikes at him. A murder mystery set at the highest levels of corporate America where lives are played as a game, where the results are success...or death.

Nicole Brown Simpson and Ron Goldman were brutally murdered at her home on Bundy Drive in Brentwood, California, on the night of June 12, 1994. The days and weeks that followed were full of spectacle, including a much-watched car chase and the eventual arrest of O. J. Simpson for the murders. The televised trial that followed was unlike any that the nation had ever seen. Long since convinced of O. J.'s guilt, the world was shocked when the jury of the "trial of the century" read the verdict of not guilty. To this day, the LAPD, Los Angeles District Attorney's office, mainstream media, and much of the world at large remain firmly convinced that O. J. Simpson got away with murder. According to private investigator William Dear, it is precisely this assuredness that has led both the police and public to overlook a far more likely suspect. Dear now compiles more than seventeen years of investigation by his team of forensic experts and presents evidence that O. J. was not the killer. In O. J. Is Innocent and I Can Prove It, Dear makes the controversial, but compelling, case that it may have been the "overlooked suspect," O. J.'s eldest son, Jason, who committed the grisly murders. Sure to stir the pot and raise some eyebrows, this book is a must-read.

To Prove Them Innocent By: Donna Clemente How do two housewives with no personal relation to the case become involved in a ten-year long battle to set three men free? To Prove Them Innocent is the true story about how their efforts, along with the fortitude of the families of the men convicted, fought to uncover and expose the truth. When three men can be sent to prison for a crime they didn't commit, it screams for reform within the justice system. The news media isn't always un-biased and it is up to all of us to search for the truth and work to make a difference in our country. "Donna Clemente is a woman whose courage and determination have inspired me and countless others. She believed with all her heart that even the most forbidding and intimidating obstacles could be challenged and that a terrible injustice involving 3 innocent men could be overcome. She was right. And what a story she has to tell." Bob Brown, Author & Former ABC Correspondent "Erin Brockovich has nothing on Donna Clemente, a stay-at-home mom who takes on a corrupt legal system and powerful law enforcement officials in her quest to free three falsely imprisoned men in her small town. Meticulously reported and poignantly written, To Prove Them Innocent is infuriating, inspiring, depressing and redeeming." Jeff Benedict, New York Times Best Selling Author, Tiger Woods

On September 11, 2001, nineteen terrorists hijacked four airplanes and carried out attacks on the United States, killing more than three thousand Americans and sending the country reeling. Three days after the attacks, President George W. Bush declared, "This is a day when all Americans from every walk of life unite in our resolve for justice and peace." Yet in the days following, Bush declared a "War on Terror," which would result in years of Muslims being targeted on the basis of collective punishment and scapegoating. In 2009, President Barack Obama said, "America must play its role in ushering in a new era of peace." Instead, Obama perpetuated the War on Terror's infrastructure that Bush had put in place, rendering his words entirely empty. President Donald Trump's overtly Islamophobic rhetoric added fuel to the fire, stoking public fears to justify the continuation of the War his predecessors had committed to. In Innocent Until Proven Muslim, scholar and organizer Dr.Maha Hilal tells the powerful story of two decades of the War on Terror, exploring how the official narrative has justified the creation of a sprawling apparatus of state violence rooted in Islamophobia and excused its worst abuses. Hilal offers not only an overview of the many iterations of the War on Terror in law and policy, but also examines how Muslim Americans have internalized oppression, how some influential Muslim Americans have perpetuated collective responsibility, and how the lived experiences of Muslim Americans reflect what it means to live as part of a "suspect" community. Along the way, this marginalized community gives voice to lessons that we can all learn from their experiences, and to what it would take to create a better future. Twenty years after the tragic events of 9/11, we must look at its full legacy in order to move toward a United States that is truly inclusive and unified.
