An Arotas novella. I pledge my heart, my life, my soul to you on this day and all the days to come. My life, bonded to yours, if you will have me. ~ Gabriel, Redemption With a single vow and a swift blow, everything Roseline Enescue held dear is stripped away. The battle is over, but the victory is far from sweet. Laying Gabriel to rest in the Enescue family mausoleum beside her beloved friend and former lover, Fane is the hardest thing she has ever had to do. With an eternity of loneliness stretching out before her, Roseline withdraws into herself, shutting everyone out. Even Elias, Gabriel's guardian angel leaves her to mourn by herself, but his sudden return brings about a series of thrilling and terrifying events, the likes of which will forever change the course of her life. Follow Roseline and Gabriel as they are reunited after death, enjoy Sadie and Nicolae's fiery romance, experience William's growing feelings of uselessness and discover what happens when there is no one left to control the forces of darkness. With a single vow everything changed. A prophecy yet to be fulfilled. A new legacy to last the ages. EVERMORE, an Arotas novella. The final installment.

In this post-apocalyptic sci-fi horror series opener, zombies and humans alike threaten the future for a tough young woman. After an epidemic swept across America like a biblical plague, the government leapt into the fray with the release of a new vaccine—but what was meant to bring salvation to the survivors instead brought damnation. Mutations began within days of the drug 's release, and the Withered Ones were born—those neither alive nor dead. They walked the streets, unblinking and unaware. And they were starting to evolve. Growing up on the streets taught Avery Whitlock how to care for herself, but nothing could have prepared her for the outbreak of deadly gangs, a corrupt government bent on using her blood for experiments and the depths to which desperate people would go to survive. She soon discovered that it was not the Withered Ones that she needed to fear, but those still human. The ones who knew how to put a gun to her head when they wanted something from her. Avery was forced to decide how far would she be willing to go to survive just one more day . .
