His most famous works are The Count of Monte Cristo and The Three Musketeers.

When Henri IV of Navarre ratified the Edict of Nantes in 1598, many Catholics and Huguenots (French Protestants) alike questioned its content and what it meant to them. Then when Louis XIII rescinded the edict and caused an outcry from the Huguenot, it was decided that Aramis would don a disguise and try to infiltrate their ranks to see if they had an ulterior motive behind the fortifying of Montauban and La Rochelle. Discovered as being a royal musketeer, Aramis is abducted. With the intent of using him as bargaining chip, his captors don ' t realize just how valuable he is to his companions, Porthos and Athos, who are right behind them to recover him, not to mention his importance to the crown and their own captain, Captain De Treville.

A new and vibrant translation of Alexandre Dumas ' s renowned The Three Musketeers, following the adventures of the valiant d ' Artagnan and his three loyal comrades. In March of 1844, the Parisian paper The Century began publishing installments of a new tale by France ' s favorite author, Alexandre Dumas. Week after week readers thrilled to the adventures of the brave and clever d ' Artagnan and his loyal comrades. Collected for book publication at the end of that year, and quickly translated into a dozen languages, The Three Musketeers was a worldwide sensation—nowhere more so than in the United States. Citizens of the brash new republic recognized kindred spirits in the bold musketeers, and the book and its sequels found an eager American readership. The novel's fast-moving story is set in the royal court of Louis XIII, where the swaggering King ' s Musketeers square off against their rivals: the crimson-clad Guards of the dreaded Cardinal Richelieu. The Red Duke rules France with an iron hand in the name of King Louis—and of Queen Anne, who dares a secret love affair with France ' s enemy, England ' s Duke of Buckingham. Into this royal intrigue leaps the brash d ' Artagnan, a young swordsman from the provinces determined to find fame and fortune in Paris. Bold and clever, in no time the youth finds himself up to his Gascon neck in adventure, while earning the enduring friendship of the greatest comrades in literature, the Three Musketeers: noble Athos, sly Aramis, and the giant, good-hearted Porthos. Now from Lawrence

Ellsworth, acclaimed translator of *The Red Sphinx*, comes a new rendition of *The Three Musketeers* for a new century, one that captures anew the excitement, humor, and spirit of Alexandre Dumas' s greatest novel of historical adventure. Whether you' re meeting the musketeers for the first time or discovering them all over again, it' s all for one, one for all, in this timeless tale of honor and glory, the flash of dark eyes, and the clash of bright steel.

The victory at Dunbar of Oliver Cromwell's New Model Army over the Scots under David Leslie merits a major place in the long succession of Anglo-Scottish battles. The Scots had brought Cromwell's invading army to its knees, but Cromwell took the offensive and, in one of the great upsets of military history, the Scots army was routed. The triumph secured Cromwell's reputation as the outstanding general of the age and demonstrated the toughness and flair of the New Model Army he commanded. Peter Reese's exciting account of this extraordinary battle is the first full-length study to be published.

One of the preeminent novels by French writer Alexandre Dumas, this swashbuckling tale follows a group of honorable 17th-century swordsmen who must contend with powerful adversaries scheming against the queen. Determined to join the royal guard, young d'Artagnan leaves his country home and travels to Paris, where he unintentionally angers Aramis, Athos, and Porthos, the esteemed Three Musketeers. Eventually winning the trust and admiration of the formidable trio of fighters, d'Artagnan joins them in their quest to thwart the plans of the sinister Cardinal Richelieu.

Thirty-five years in the making, and destined to be the last word in fanta-film references! This incredible 1,017-page resource provides vital credits on over 9,000 films (1896-1999) of horror, fantasy, mystery, science fiction, heavy melodrama, and film noir. Comprehensive cast lists include: directors, writers, cinematographers, and composers. Also includes plot synopses, critiques, re-title/translation information, running times, photographs, and several cross-referenced indexes (by artist, year, song, etc.). Paperback.
