The Rubank Method popped up and I was immediately flooded with memories from my childhood in the 60s when my music teacher used this method to teach me the clarinet. I recalled it as an effective (and fun) method with some pretty interesting drills. I immediately ordered all the flute books in the series from beginner to advanced vol. 2.

One of the most widely used series of methods for individual or like-instrument class instruction. Using a very well-rounded approach including scales, arpeggios, technical studies, studies for musicianship, articulation studies, solos, duets, and studies devoted to the special needs of each instrument, this series provides a fantastic wealth of material for all student musicians.

(Advanced Band Method). Designed to follow any elementary and intermediate method for drums, the Rubank Advanced Method is a complete course of study, embracing not only a review of the 26 rudiments, but also presenting many valuable exercises, etudes, and musical excerpts all written expressly for the purpose of developing a high degree of technical skill and musical proficiency in the art of percussion playing.

This classic series of duets for like instruments is recognizable to nearly everyone who has ever studied an instrument. The wealth of

material supplements musical development and provides a rich experience for growing musicians. Duet playing is often a student's first form of ensemble experience - technique, tone quality, intonation and balance are introduced as students do one of the things they enjoy most - making music with a friend. And duet playing leads easily and naturally to competent performance in larger ensembles. (Vol. 1 - Easy to Medium, Vol. 2 - Medium to Advanced)
