Hap and Leonard investigate a racially motivated murder that threatens to tear apart their East Texas town. While Hap, a former 60s activist and self-proclaimed white trash rebel, is recovering from a life-threatening stab wound, Louise Elton comes into Hap and Leonard's PI office to tell him that the police have killed her son, Jamar. Months earlier, a bully cop pulled over and sexually harassed Jamar's sister, Charm. The officer followed Charm over the course of the next couple of months, leading Jamar to videotape and take notes on the cop and his partner. The next thing Louise hears, Jamar got in a fight and is killed in the projects by local hoods. It doesn't add up; he was a straight A student, destined for better things, until he began to ask too many questions about the racist police force. Leonard, a tough black gay Vietnam vet and Republican, joins Hap in the investigation, and they stumble upon the racial divides that have shaped their Eastern Texas town. But if anyone can navigate these pitfalls and bring the killers to justice, it's Hap and Leonard. Meet Hap and Leonard, the unlikely praised series starring James Purefoy, Michael K. Williams and Christina Hendricks. If there's one thing Hap Collins and Leonard Pine like, it's trouble - and they especially like getting paid to find it. So when their friend and sometime boss Marvin Harmon asks the boys to look into a cold-case double homicide, they're happy to oblige. It turns out that both victims were set to inherit some serious money, and one of them ran with an honest-to-goodness vampire cult. The more closely Hap and Leonard look over the crime scene photos, the more trouble they see. The image of a red devil's head is painted on a tree. A little research turns up a slew of murders with that same fiendish signature. And if things aren't weird enough, Leonard has taken to wearing a deerstalker cap... Will this be the case that finally sends Hap over the edge?

NOW THE BASIS OF THE NEW SERIES ON SUNDANCETV. Only Hap and Leonard would catch a cold case with hot cars, hot women, and ugly skinheads. The story starts simply enough when Hap, a former 60s activist and self-proclaimed white trash rebel, and Leonard, a tough black, gay Vietnam vet and Republican with an addiction to Dr. Pepper, are working a freelance surveillance job in East Texas. The uneventful stakeout is coming to an end when the pair witness a man abusing his dog. Leonard takes matters into his own fists, and now the bruised dog abuser wants to press charges. One week later, a woman named Lilly Buckner drops by their new PI office with a proposition: find her missing granddaughter, or she'll turn in a video of Leonard beating the dog abuser. The pair agrees to take on the cold case and soon discover that the used car dealership where her granddaughter worked is actually a front for a prostitution ring. What began as a missing-person case becomes one of blackmail and murder. Filled with Lansdale's trademark whip-smart dialogue, relentless pacing, and unorthodox characters, Honky Tonk Samurai is a rambunctious thrill ride by one hell of a writer.

Companion volume to the second season of the Hap and Leonard television series.

Edgar Award-winner and fan favorite Joe R. Lansdale is back with Hap and Leonard's latest caper: investigating the disappearance of a revivalist cult leader's daughter. Hap and Leonard are an unlikely pair–Hap, a self-proclaimed white trash rebel, and Leonard, a tough-as-nails black gay Vietnam vet and Republican–but they're the closest friend either of them has in the world. Hap is celebrating his wedding to his longtime girlfriend, Brett (who is also Hap and Leonard's boss), when their backyard barbecue is interrupted by a couple of Pentecostal white supremacists. They're not too happy to see Leonard, and no one is happy to see them, but they have a problem and only Hap and Leonard will take the case. Judith Mulhane's daughter, Jackrabbit, has been missing for five years. Well, she's been missing from them for five years, but she's been missing from everybody, including the local no-goods who ran with her, for a few months. Despite their misgivings about Judith and her son, Hap and Leonard take the case. It isn't long until they find themselves mixed up in a revivalist cult that believes Jesus will return flanked by an army of lizard-men-- solving a murder to boot. With Lansdale's trademark humor, whip-smart dialogue, and plenty of ass-kicking adventures to be had, you won't want to miss Hap and Leonard's latest.

An Edgar Award winner blends Mark Twain's humor and Stephen King's suspense in this darkly compelling novel of three friends determined to take their friend's ashes to Hollywood. May Lynn was once a pretty girl who dreamed of becoming a Hollywood star. Now she's dead, her body dredged up from the Sabine River. Sue Ellen, May Lynn's strong-willed teenage friend, sets out to dig up May Lynn's body, burn it to ash, and take those ashes to Hollywood to spread around. If May Lynn can't become a star, then at least her ashes will end up in the land of her dreams. Along with her friends Terry and Jinx and her alcoholic mother, Sue Ellen steals a raft and heads downriver to carry May Lynn's remains to Hollywood. Only problem is, Sue Ellen has some stolen money that her enemies will do anything to get back. And what looks like a prime opportunity to escape from a worthless life will instead lead to disastrous consequences. In the end, Sue Ellen will learn a harsh lesson on just how hard growing up can really be.

From an Edgar award-winning author comes the gripping and unexpected tale of a lost town and the dark secrets that lie beneath the glittering waters of an East Texas lake. Daniel Russell was only thirteen years old when his father tried to kill them both by driving their car into Moon Lake. Miraculously surviving the crash—and growing into adulthood—Daniel returns to the site of this traumatic incident in the hopes of recovering his father's car and bones. As he attempts to finally put to rest the memories that have plagued him for years, he discovers something even more shocking among the wreckage that has ties to a twisted web of dark deeds, old grudges, and strange murders. As Daniel diligently follows where the mysterious trail of vengeance leads, he unveils the heroic revelation at its core.
